My dear Doctorsaheb

I was glad to receive your letter. I have passed it on to the CCI who said he would send the letter to the Collector of Customs, Madras, saying that they have no objection to import from Import Control angle. It may be preferable for you to write to the Collector direct. His name is Shri S.K.~~Bhattacharji~~ T.R. Pillai. You would also be aware that the Customs is under Finance Ministry and perhaps an approach from that side may help.

With regards,

Yours Sincerely

My dear Dr. Hardikar,

Please refer to your letter dated 15th December, 1961, regarding appointment of N.R. Mane to the Indian Administrative Service.

2. The recruitment to the Indian Administrative Service is made, in accordance with the I.A.S. (Recruitment) Rules, on the basis of competitive examination held annually by the Union Public Service Commission. The prescribed upper age limit for admission to the examination is 24 years. It is relaxable by five years in favour of candidates belonging to Scheduled Castes/Scheduled Tribes. It would not, therefore, be possible to consider Mane for the I.A.S.

Dear Dr. Hardikar,

Please refer to your D.O.No. 253/62, dated the 18th January, 1962. The estimate sent by you has been forwarded to Government.

From the quarterly progress report for the period ending 31-12-1961 submitted by the Institute to this Directorate, it is observed that the students on ~~the~~ roll on that date were 49 only. It is proposed to admit 40 new students in April, 1962. The strength of students on roll in April, 1962 will be 89 only. As the non-recurring grant of Rs.1,20,000/- for a hostel has been recommended by us on the understanding that you will always have on roll 100 students, please ensure that the number of students ~~at any time~~ recruited is not allowed to fall below one hundred after April, 1962.

The Manager of the Adarsha Printery, Hubli, Shri A.R. Shevade, has rendered excellent service to the Hind Seva Trust by improving its economic condition and by trying to wipe out most of its debts during his administration.

Therefore, not only as a reward for the devotion and loyalty which he has shown but as an encouragement to him for furthering the good work he is doing, I give him today an increment of Rs.25/- (Rupees twentyfive) only a month beginning from the 1st of January, 1962 with retrospective effect.

He should try his level best to modernise the Printery in every possible manner and make it a first class running concern even though he may have to take fresh loans for meeting the necessary expenditure in doing so.

NEW DELHI, dt. the 20 FEB 1962 Feb., 1962.

Dear Dr. Hardiker,

Kindly refer to your letter dated the 16th February, 1962.

We sent a copy of the notice inviting applications for Colombo Plan fellowships in the field of Nursing for the year 1962-63 to the Chief Medical Officer, Karnatak Health Institute, Ghataprabha, vide this Directorate letter No. 6-17/61-N, dated the 1st January, 1962 (copy attached for ready reference). I am sending herewith another copy of letter No. F. 2-41/61-F, dated the 7th December, 1961, with its enclosures, from the Govt. of India, Ministry of Health, inviting applications for the above fellowships. The applications are to reach the Ministry of Health by the 28th February, 1962, though the State Government as otherwise ~~xx~~ they will not be considered by the Govt. of India.

As regards the sanctioning of a non-recurring grant for the construction of hostel building under the Auxiliary Nurse-Midwives Scheme, the request has already been recommended to the Govt. of India. We are doing all we can to get the grant sanctioned as early as possible. If any further questions are raised about your Institute which we cannot answer, they will be referred to you.

I learnt from Sangli that Mami did touch our house there, though she could not come over here on account of cold.

I regret that I missed your radio talk on Tagore. Please send a copy, if you have any with you.

Today I am sending a few of a bi-weekly which I am asked to edit. I shall be very happy if you write about the results of elections for this paper. The article need not be long. Even if it is 300 words long it will do. If you write in Marathi, our work of translation will be eliminated. The last date by which I should have your article in my hands is 7th of March.

I request you to send a sketch of Pandit Nehru for our Diwali Number or some other suitable occasion (e.g. Birthday). You can take your own time but I must an article from you.

All of us are doing well.

My dear, Dr Hardikar.

Though I reached Bombay on the 22nd inst. and meant to write and thank you immediately I was kept a bit busy; hence the delay, please excuse.

I enjoyed a day's stay with you and your team and it gave me such a pleasant surprise going round the institute and seeing the hospital and its working. It is no exageration to say what a wonderful job you selfless workers have done. You have converted a wilderness into a medical centre which is all praiseworthy and you have wonderful lieutenants like Dr. Vaidya and other docotors.

The other day I met the other Dr. Vaidya who by now has left for East Germany. When he also comes and joins you it will be a great help.

I am seriously thinking that in winter I should also come and join you for a few weeks at a time and see what we all can do.

I hope I will see you in Delhi very soon, but kindly convey my humble admiration for the splendid work that is being carried on there. Pity I had to rush through but God willing will come soon and work with you and share your difficulties and pleasures. Kindly convey my humble gratitude and remember me to the lady doctor Mrs.A and her co-workers.

I have also to thank you for suggesting a trip to Koyna and for telephoning to Mr.Moorthy the Chief Engineer. Though he was very busy and early in the morning he had to leave for Poona and Bombay he kindly made all arrangements for other Assistant Engineers to take me round next morning. While he himself at night took me to his office and demonstrated the whole plan on the glass model. It is indeed very instructive, I thoroughly enjoyed it and I am very grateful to you particularly to Dr.Vaidya for suggesting the trip and giving some idea of it before I went and saw that actually. Luckily on that very day whater was let in in one of the tunnels to test one of the turbines and they say b April they will be able to supply electric energy atleast for Bombay.

I met Nimbkar at Poona and we travelled together in his car to Bombay. I have given him my impressions of Ghataprabha; he was very pleased.

I have already started operating here, all the same some enquiries from Delhi are coming as to when I will be expected to b there. I hope to be there by the middle of the next month.

With very best wishes and good luck to the Institute, I remain,

Yours sincerely,

V. R. Mirajkar

My dear Kashinath,

I need not send you the pamphlet which you had given to Bhanukumar for corrections. The work has delayed much. I have told you in the past that I don't like such delays in work which is considered very small.

Did you get any letters addressed to me to your care? If so, have you sent them here? If not, please do so.

In so far as the printing of that pamphlet of "Dr. Hardiker Diamond Jubilee Trust" is concerned, it will be better if Bhanukumar's suggestions are accepted. I had a talk with Inamdar yesterday and he has accepted the changes. So please, on my authority, you go ahead with the work. What you should do ~~xx~~ is this: There are three distinctive marks. The size of the blocks of these distinctive marks should be reduced say by 60% and then printed under the individual photograph for each line. The photos should be on the free end of the page not on the stitched end. On the stitched end, however, you should leave more margin than what you have done now. Say for instance, if the margin you have left is 1/2" on u then you should leave an inch-and-a-half or even more, ~~margin on the stitch side of the page~~ and get the matter reduced in length. The matter on the page shall go between two lines. I think this arrangement~~s~~ will be satisfactory to all the parties concerned. So, it is better that you have a talk with Bhanukumar, show this letter to him and get the ~~this~~ pamphlet struck. Don't wait any longer. I am writing to Bhanukumar and sending him a copy of this letter.

I will write to you again. Nothing more for the present.

My dear Shaikh,

It is just possible that Mr. Bhimrao Potdar has spoken to you about the Rs.12,000/- grant. I have asked him to consult Dr. Vaidya and send an application to you to help us by contribution Rs.12,000/- for constructing a permanent holiday home in our campus at Ghataprabha. I think this amount is from sanitary fund or something like that. I am sure you will find it out and do the needful in the matter.

2. We wanted to go to Goa this month. But as the Goa question is now being handled by the Parliament it is not possible for me to leave Delhi and go anywhere until the Constitution Amendment is passed. In so far as I am concerned I have to attend the Rajya Sabha. So this month we will not go to Goa. Next month we do want to go. So we want permission. Now that the Government of India has permitted the Collectors of Belgaum, Karwar and Ratnagiri to issue permits, I am sure I will get the necessary permits from you. We will be ten in all going to Panjim and other places. The exact date will be intimated to you later, but in the meantime I want you to tell me whether you will issue the permits or not.

3. What have you done about Sunadholi village in Gokak Taluk where a road was to be repaired? Have you instructed the engineers to get it done? Please let me know.

4. Did you get the figures from the Karnatak Health Institute about cholders attacks and cholera deaths?

What help have you rendered to them? Please do let me know. My address is given above. Please write soon.

My dear Durgabai,

During the last two summers we have run Holiday Homes for children in the campus of the Karnatak Health Institute at Ghataprabha. Mrs. Vatsala Vaidya was in charge of the camps, though others assisted her. A number of other women have been trained to run these camps now. Last year Mrs. Vimal Kulkarni did work under Mrs. Vatsala Vaidya and gained experience. This year also I am asking Mrs. Vimal Kulkarni to assist Mrs. Vaidya, so that from next year the former can take full charge of such camps. Unless we train a number of women to run such camps, it is difficult for us to get the necessary personnel.

This year also we want to run a camp during summer. For that herewith I am sending an application to you. I have already sent a copy of the same to the Secretary, Indian Council of Child Welfare as also to the Mysore State Welfare Board.

The audited accounts for 1961 and reports are in print. As soon as I get copies of the same I will send them to you. In so far as a copy of the report of 1960 and copies of audited statements for 1958 and 1959 are concerned they are already in your office. We have been sending them practically every year.

Hoping to hear from you,

Dear brother,

I am sending herewith a copy of the application which I have submitted to the Chairman of the Central Social Welfare Board for financial assistance for organising Holiday Homes for children in the Karnatak Health Institute at Ghataprabha (District Belgaum).

For two years now, in 1960 and in 1961, we have been running the Holiday Home Camps. In 1960 it was for 50 boys. In 1961 it was for 50 girls. This year we would like to take 50 boys. We wish to begin the Holiday Home on or about the 5th of May this year. It takes time to make selection of boys from various villages where we are now working. So I request you to let us have the sanction as early as possible.

I am sending a copy of this application to the Chairman of the Mysore State Social Welfare Advisory Board also.

Please write to the above address.

Dear Dr. Hardiker,

Kindly refer to the conversation we have had on 18th August, 1961, in regard to the water supply scheme to the Karnatak Health Institute and some villages in its neighbourhood. You promised at that time to take up this matter with the Government of Mysore and to intimate the result of such discussion with the Government. So far I have not had a letter from you.

In this connection I would like to state that the scope of National Water Supply and Sanitation Programme (rural) has been enlarged during the Third Five-Year Plan. The ~~scheme includes now the water~~ supply to individual villages where a certain amount of engineering skill is needed. Therefore, the Government of Mysore may be requested to prepare a scheme for the supply of water to Mallapur village if there is dearth of water in this village and claim assistance from the Government of India after observing the usual formalities.

With kind regards,

Yours sincerely,

Dear Shri Mama Deogirikar,

Kindly refer to your letter dated 20th February, 1962, in regard to Karnatak Health Institute at Ghataprabha. I might mention that Dr. Hardiker promised to consult the Mysore Government in connection with the water supply to the two hospitals and the villages mentioned by you and inform me the result of such discussion. I have not had a reply from Dr.Hardiker so far.

In regard to your proposal to have a common source for the supply of water to the various institutions and villages mentioned in your letter the Government of India have, during the Third Five Year Plan, relaxed the scope of the National Water Supply and Sanitation programme(rural) and, under the revised instructions issued recently to the various State Governments, assistance will be afforded to schemes of water supply intended to individual villages where a certain amount of engineering skill is needed. As such, I would suggest that if Mallapur village has not got adequate water supply, the Government of Mysore could now prepare an estimate for the supply of water to this village from a suitable source, may be a well, and forward the same to the Ministry of Health.

With regards,

Yours sincerely,

In so far as the non-recurring grant for nurses quarters is concerned, nothing is known. The files have not yet been returned. Anyway, we will come to know about it in a day or two.

I am sending herewith a copy of the report submitted by Mama Deogirikar to the Health Minister after he inspected the K.H.I. I did have a talk with the Secretary of the Health Ministry, Mr. Tandon, and have invited him to come and see the work that we are doing at Ghataprabha. He has taken down a note, and I am sure in the near future he will pay a visit to us.

I have received a letter from Muktamala saying that she has arranged our programme and she wanted us there at Margao on the 16th. I did wire to her express my inability to leave Delhi at this time, but she telegraphically replied again saying that we should go. However, I have sent another wire to her repeating the same thing and have written to her for the third time. I have also wired to Dr. Govinda Rao at Panchim. Therein also I have said that due to the Constitutional Amendment on Goa it is not possible for me to leave Delhi at this time. The amendment is passed yesterday in the Lok Sabha. It will come in our House on the 20th. We have got to be there on that day. How then can I leave? I have expressed my inability in my letters as well as telegrams. I hope Muktamala will understand the difficulty and will excuse me for my fault in not going to Margao. I am sure Dr. Govinda Rao will also write to her and beg pardon for me.

I have written to Mr. Shaikh to give us permits to go to Goa. It is my intention to go to Goa with (1) Gangutai, Vimal, Suman, Shanta, Mantri, Kokatnur or Nagappa, Mrs. Shantabai Shevade and one or two more from Ghataprabha. Of course, our leader shall be Bhimrao Potdar. The trip may be so timed that the thread cemmonies in your house could also be attended. My intention in taking all these friends is to give them an outing and make them feel one with us. Of course we will have to spend all the expenses that will be insurred for that trip.

I am applying for another Holiday Home. Again this year I will place Vimal in charge of it and hold the teachers of the school responsible. Mr. Joshi, the drill teacher, will help them in every possible manner. We may choose another from the campus to help in running the Holiday Home.

With love to Vatsala and the children,

Yours affectionately,

Dear Shri Hardikar,

Subject:- Permit to enter Goa.

Please refer to your letter dated 16th March 1962.

Permits are being issued by the Ministry of External Affairs, New Delhi alone and not by the District Magistrate Belgaum who is merely supplying application forms as per Govt. of India letter No. E-14/5-62 Goa dated 10-3-1962. I am therefore really sorry to disappoint you.

The applications are returned herewith Six application forms are also enclosed.

Dear brother,

I am sending herewith a copy of the application which I have submitted to the Chairman of the Central Social Welfare Board for financial assistance for organising Holiday Homes for children in the Karnatak Health Institute at Ghataprabha (District Belgaum).

For two years now, in 1960 and in 1961, we have been running the Holiday Home Camps. In 1960 it was for 50 boys. In 1961 it was for 50 girls. This year we would like to take 50 boys. We wish to begin the Holiday Home on or about the 5th of May this year. It takes time to make selection of boys from various villages where we are now working. So I request you to let us have the sanction as early as possible.

I am sending a copy of this application to the Chairman of the Mysore State Social Welfare Advisory Board also.

Please write to the above address.

Please refer to your letter dated 25th February 1966 to Shri S.K. Patil regarding the issue of a I Class all-India free Railway Pass for a period of one year to Dr. Hardikar. We have carefully considered the matter and feel that it would serve the purpose if Dr. Hardikar, who is staying at Hubli, is issued I Class complimentary cheque passes by the Divisional Superintendent, Southern Railway, Hubli, as and when required by him, this facility being allowed for one year. Necessary instructions have accordingly been issued to the General Manager, Southern Railway, copy endorsed to Dr. Hardikar.

Dear Sir,

Please refer to your letter dated 15th March. Shri Bhima Rao Potdar did meet me and spoke to me about the grants. In fact I had already taken action in that connection and informed Shri Potdar accordingly. There were two recommendations made to Government regarding the utilisation of the balance lying in the Belgaum District Sanitary Association Fund. The second one was for use of the construction of Holiday Homes. Government orders were recently received approving the Deputy Commissioner's formal proposal. I have therefore on receipt of your letter once again written to Government recommending Holiday Homes, adding that the Government orders already issued should be revised. I do think Government will accept my approval. Action will then be taken to place the fund at your disposal.

2. Regarding the permits for going into Goa I have already written separately to you saying that the permits are being issued by the Under Secretary, Ministry of External Affairs, New Delhi, alone and not by the District Magistrate, the latter being permitted to issue the application forms only. I am really sorry that I am disappointing you. But these are Government orders. I have also sent six application forms.

3. About the spread of cholera, you must have received by now my reply. I am in contact with Dr.Nagaraja District Health Officer and am trying to do our best. I have also requested Dr.Nagaraja if he could make available some medecines for use of your Health Institute.

4. About Sunadholi road, my Assistant says that the road has already been taken up and is expected to be completed before the end of this month.

I hope you are doing fine.

माननीय डा० साम्ब,

सादर प्रणाम ।

आपका पत्र दिनां १२ मार्च का मिला । धन्यवाद । १९६२ का असेम्बली चुनाव मेरे क्षेत्र का इतना भयानक और संघर्षमय था कि मुकाबिले की एक एक पार्टी के ३० हजार और ५० हजार रु० तक व्यय हो गये । मेरे पास तो केवल जनता का प्रेम और विश्वास था । उसीने साथ दिया । लगभग ४० प्रतिशत वोटिंग हुआ और लगभग ५ हजार वोटों से विजयी हो गया । मेरे पास पैसे तो थे ही नहीं फिर भी लगभग आठ हजार रुपये के व्यय हो गये और तीन हजार रुपये का कर्जदार भी हो गया हूं । बड़ी परेशानी है ।

चुनाव के दिनों में ही २६ जनवरी को डबल निमोनिया हो गया और बुखार में ही सारा चुनाव लड़ना पड़ा । सवारी नहीं थी, केवल दो गाड़ियों की अन्त में किसी प्रकार से व्यवस्था हो गई थी ।

आपके चरण प्रताप से सभा सचिव की नियुक्ति १४।३ को हो गई और उसी दिन शपथ ग्रहण करली । सामुदायिक विकास और श्रम विभाग दिया है ।

इस जिम्मेदारी को संभालने और २७ से बजट अधिवेशन आरंभ होने की स्थिति में प्रदेश को कैसे छोड़ा जा सकता है ।

असेम्बली अधिवेशन के समाप्त होने पर तो इसपर विचार हो सकता है । आपके संरक्षण में रहने का अवसर मिल सके तो यह मेरे लिये एक सौभाग्य का विषय होगा ।

सेवादल इतिहास चुनाव के पूर्व जहांतक आपने देखा था वहीं पर रुका पड़ा है । अब अवसर निकाल कर उसे पुन: संशोधित रूप में तैयार करने का प्रयत्न करूंगा । १५-२० दिन तक तो अवकाश नहीं मिलेगा । इसके पश्चात इसमें जुटने की कोशिश करूंगा ।

आशा है कि आपका मार्गदर्शन मुझे मिलता रहेगा ।

My dear Dr. Vaidya,

I have your letter of the 19th. Thanks. I have not understood you about the grant sanctioned for the nurses quarters. Anyway, as I am here I will try to contact Miss Adranvala and make necessary enquiries.

2) Have you received the other amount of Rs.40,000? - the amount meant for purchasing a jeep, etc. You see today is the 23rd and if you have not received it, I would like you to wire to me immediately to my new address.

3) In so far as the jeep is concerned, I have requested the Secretary of the A.I.C.C. here to give me one from the lot that they had purchased for elections. These jeeps have been used by Congress organisations for about a month or a month and a half. These are being sold for Rs.10,000/-. One of them they are willing to give us. Should I take it? If we have to work in villages, I think a jeep is the best. We will build a body over it and make a station wagon out of it. To build a body it may cost 3 to 4 thousand rupees. On the whole it may cost 15 to 16 thousand I think. If you approve of it, let me know. I will take the jeep here and send it to Bombay.

I do not know whether we should purchase a Mercedes. Mercedes Diesel is of course less expensive for maintenance. But we are thinking of village work and not city work. I have a mind to use the car for contacts and collection purposes also. If this object is kept in mind then Mercedes would do. But I do not think we should go beyond the laid down object. Therefore, I would prefer a jeep station wagon. Anyway please do write to me or better still wire your opinion.

4) I have written to Dr. Govinda Rao about the typewriter. I have not heard from him. I wrote to you also, stating that the typewriter should be purchased and kept and we shall bring it from there when we visit that place.

5) Yes, I have received a letter from Mr. A.M. Shaikh about Rs.12,000. I am writing to him again and insisting upon getting the amount for building holiday homes in Ghataprabha.

6) I am writing to Ramaswam about the he has donated. It is very good of him to have done so. How is he and how is Deshpande. I hope both are

7) I will certainly see Dr. Hitschmanova when she comes to Delhi in Claridge Hotel. I am expecting Mr. Nimbkar also, but I do not know the exact date of his arrival.

I am having fever for the last two days. I am better today.

CONGRESS SEVA DAL

Visit to Utkal, Manipur, Tripura and Assam

(1st March to 24th March 1960)

I left Delhi on 1st for Utkal and reached Cuttack on 3rd. The Pradesh Organiser and the local officers with few Volunteers were present on the Station. In the morning I met the President and the Secretaries of the P.C.C. and inspected the Seva Dal Office. In the afternoon I met local workers of Seva Dal individually and in the evening I met all of them in a meeting. On 4th I met the President of the Cuttack D.C.C. and then visited Tigharia Matia and Chandwar. The activity at Matia is in infancy while Chandwar is an old and regular shakha of Seva Dal. I returned to Cuttack in the evening and left by night train for Berhampur.

At Berhampur I met the President and the Secretary of the D.C.C. and in the afternoon went to Gerabanda. There is an old shakha of Seva Dal here. On the 5th I went to Bapujipeth and returned to Berhampur in the evening. On 6th I reached Puri. There I had a meeting of Seva Dal workers of the district and visit to the Seva Dal shakha in Uddyog Ashram. In Puri I was put up in the D.C.C. Office but the President and the Secretary did not turn up to the office that day and I missed them. From Puri I went to Bhuvaneswar and had some discussions about Seva Dal with Shri Mehtab babu. I returned to Cuttack on the 8th morning and left for Jajpur immediately. There was much enthusiasm in Jajpur as the Seva Dal has recently started in this town. From Jajpur I caught a train for Calcutta on my way to Agartala. During my tour Shri Padam Charan Das the Pradesh Organiser was with me and the P.C.C. had provided jeep for places which were not on railway line.

During my tour in Utkal I found that the condition of the Seva Dal Organisation was not satisfactory. This was perhaps due to the reason that a few workers who were maintained were discontinued all of a sudden by the previous P.C.C. The

Pradesh Organiser and the district workers could not visit any place as they did not get any facility for travelling from their respective Congress Committees. The new P.C.C. is now considering to revitalise Seva Dal in the Pradesh. I have sent my suggestions in this connection, to the P.C.C. President. Instructions as regards ~~the~~ technical matters have been sent to the Pradesh Organiser of Seva Dal.

TRIPURA

At Agartala I was received by the District Organiser and some volunteers. There was a workers meeting in the Congress Office and in the afternoon I visited a centre at Ram Nagar. I could not visit another centre on 9th as the Office jeep was not available from the D.C.C. and the place was not accessable any other vehicle. As a matter of fact the D.C.C. Jeep was at my disposal but when it did not turn up in time on enquiry I was informed that the Vice President had taken it away for his own work. Thus I had to disappoint the volunteers who must have waited for a long time for me. The D.C.C. President and the Vice President and others were so busy that they could not find time to meet me in the D.C.C. Office. I was informed that they had gone to attend the marriage programme of the Maharaja of Tripura. The Seva Dal workers here suffer from money complex I advised them to work with a voluntary spirit and try to stand on their own legs. The paid permanent Secretary does not attend the office and the Seva Dal workers are utilised to run the District Office for which they are not paid.

MANIPUR

I reached Imphal on 10th noon. The district Organisers and the office Secretary of the D.C.C. received me at the airport. In the afternoon I addressed a workers meeting in the Congress House and then went to Wairang Towmbol where I addressed public meetings which were largely attended. Local neighbouring volunteers also attended the meetings. I missed the Congress workers meeting as I was very late from the above places. On 11th March I met the President of the State Congress. He had some complaints against the Organiser of Seva Dal. I did not agree with his contention that he was taking part in group politics because he voted against the Presidents group in a meeting of the Congress Committee. I also did not like his action of taking in writing from the Seva Dal Organiser an understanding which according to his interpretation meant that the Seva Dal Organiser should not vote till he was satisfied with him as regards his non partison character. It was rather funny to find that a person who is being accused of playing group politics wants to be a judge in the investigation of the same crime. I told him clearly that the Dal Offi-cers are advised to remain neutral (not to vote) in cases of internal conflicts but no one can take away their right of voting which has been given to them by the Constitution. But I promised him to talk to Seva Dal Organiser and do the needful. In the afternoon I visited two places on Moirang Road. On 12th morning I met the President again. I told him that the Organiser does not accept the charges made against him. But the President insisted that some action should be taken against him immediately. I told him that I have warned the Organiser to be strictly away from group politics and no action could be taken without proper enquiry which was not then possible as I was to leave within a couple of hours. I advised him to approach the P.V.R. or the P.C.C. with clear charges to do the needful. To this he said that would take more time. I tried to pacify him. Then I addressed a women workers meeting and inspected the Seva Dal Office.

I was to leave by noon plane but as the weather was bad no plane could reach Imphal and I had to be detained for a day more.

On 13th I reached Silchar but it was Holi and no programme could take place. I left for Hojai and reached Nowgong on 15th morning. I visited a Kendra and addressed a meeting of workers in the evening. On 16th I reached Jorhat and had discussion with Congress and Seva Dal workers in the evening. From Jorhat I came to Shibagar. Here also I met Congress and Seva Dal workers in the evening. My next visit was to Dibrugarh. The President of the DCC showed keen interest in Seva Dal From Dibrugarh I went to Gauhati. At Gauhati on [illegible] I saw some volunteers in uniform. The programme at Gauhati was not a conspicuous one except the meeting of the Pradesh Volunteer Board. In the meeting the General Secretary of the Pradesh promised to do every thing possible for Seva Dal work in the Pradesh. After covering a distance of about 160 miles by jeep I reached Dhubri on 21st night. On 22nd morning I inaugurated the M.S. Training Camp and also took a class in the afternoon. Twentyeight campers from six different districts had come by that time. Some more were also expected. I left Dubri by evening train and reached Delhi on 24th night.

The Seva Dal in Assam has not made any progress during the last year. There are no sufficient workers. The few workers that were there have left and taken upto some professions for their maintanense as they got fed up with the treatment and unsympathetic attitude of the Congress Committees. It is hoped that the present Genreal Secretary would try his best to improve the conditions.

My dear Shaikh,

I have your letter, as also the application forms for entry into Goa. Thanks. Here I am trying to get the necessary permits. I do not know how soon I will be able to get them. After you returned these forms to me possibly you must have received the Government of India's order empowering you to issue the permits. However, I will try to get them here now.

I am sure you will write to the Government of Mysore again regarding the utilisation of the balance amount lying in the Belgaum District Sanitary Association Fund and request them to give it to us for the construction of holiday homes. Is it not in the hands of the Development Commissioner of Mysore State? I think Mr. Razvi is the Commissioner. Won't you please write to him privately and say that I have requested him to help us? I will be very much thankful to you for this little help. Much will depend upon you and your writing to him.

Dr. Balankhe has written to me about the cholera cases. I am glad Dr. Nagaraj is helping. I should certainly thank Dr. Nagaraj for everything that he has done so far in helping us to check the spread of cholera in that part of the district. Please do tell him to give all the facilities to Dr. Vaidya and Dr. Balankhe in checking such epidemics.

Your Assistants ~~do~~ "say that the road to Sundholi has been already taken up." I am glad to note it, but please, remember that the repair work that your people are doing there ~~are~~ nearly four months old. They are not quick at it. At my request, only the other day Mrs. Vatsala Vaidya went there to see again and report. She says that the work is very very slow and she does not know whether it would be finished before Mr. Shaikh retires. So please go after it and see that it is completed soon.

Ghataprabha station area should have a town planning. We had requested your predecessors, but they did not take it seriously. It is a new development though 30 years old. If the Collectors pay attention that locality could be properly planned. I want you to go there when I am there, see the whole thing for yourself and try to plan that village in a better manner. You have ideas and you can do it. You have a vision and imagination that will help us. Hence the request.

Please do write to me immediately. I may not be here after the 3rd of April.

Your brother,

Dr. N.S. Hardiker

March 26 1962.

My dear Dr. Vaidya,

Yesterday I have written to you about the deal to purchase the station wagon from the AICC. The catalogue price of the station wagon is Rs.21,820. They are willing to sell it at Rs.18,000/-.

They purchased this in the first part of January 1962. From Bombay it was brought here and sent to Allahabad and used by Mrs. Indira Gandhi in Panditji's constituency and returned. The total run as shown in the milometer is 8,000 K.M. It is in perfect condition, as it has not been misused by anyone. It is registered and insured.

Under instruction from Mr. Nimbkar, a friend of his brought an engineer to see and examin the station wagon. They took a run on it and said that it is in perfect order and there is no harm in purchasing the same for that price. The President of the Congress is to come on the 2nd of April. Then I will have a talk with him about other details.

The vehicle will be given for servicing now. I intend to take that vehicle myself to Jhataprabha. For this purpose I have requested the AICC Secretary to spare their driver for four days. I have told them that we will get our own driver to Bombay and from Bombay their driver may return. It will be difficult for our driver to take the vehicle from here to Bombay, as he may not know the route through which the road passes. I am going to ask Mama Deogirikar to accompany me to Bombay in that vehicle. Of course, this means he will have to spend two days more in travelling. If he comes he will be a company for me and then I may either leave him at Bombay or at Poona. As he is not here now I cannot say anything definitely about this.

He is returning on the 25th. I know it will be a little troublesome for me to travel continuously for 5 days in that vehicle. However, I will have to tolerate it and take the vehicle to Ghataprabha.

I would like you to send immediately a draft for Rs.18,000/- drawn in favour of the All India Congress Committee, New Delhi and send it to me to this address. I have shown the wagon to Dr. Keskar and other friends also have seen it. I am sorry I could not show it to Mr. Karmarkar as he is not here now. As soon as he comes I will speak to him about it and will take the vehicle to him also.

I am sending a copy of this letter to Mr. Bhimrao. I am sure he will approve of the step that I have taken.

You will please see that Mr. Patil, our driver, is sent to Bombay on the day on which I want him there. I will also specify the date and the train. I will write to you as soon as I decide the date on which I am leaving Delhi. I will also send you a copy of my itinerary on that day.

This morning I had a talk with Dr. Hitschmanova. I have made an appointment to meet her on Wednesday the 28th at 11.30 in her hotel. I will speak to her about the purchase of the vehicle when I meet her. She said she is perfectly well, though working hard as before. She has received a copy of your report, but has not gone through it yet.

I have your telegraphic reply to my wire regarding the grants. Your wire is very ambiguous. I do not understand it. However, your letter is clear regarding the grant for the jeep. You say that finally you have received the money. I do not know anything about the second grand.

With love to Vatsala and the children,

My dear General,

Mr. B.N. Joshi one of the workers of the National Discipline Scheme of which you are the head is working in Ghataprabha for the last several months. He has been doing very very good work and I have been reporting to you about it. He has also been sending his monthly reports regularly to the officers concerned.

I have just now heard from Ghataprabha that he is likely to be transferred. Personally I have been requesting youto see that he gets a refresher's course and gets more equipped for carrying on the same work still more efficiently.

I would like you not to transfer him from Ghataprabha where he is working for the last several months. I want you to give him more facilities to carry on the work in a bigger area than what he is covering today. I want you to know that I have found him a very sound person and in him I see a very good organiser of your scheme. So give him more facilities and take more work from him. I am sure he deserves promotion and also some Assistants to help him push the work of the scheme in that area.

I want you to know that I know what discipline is and as such I value the work of this man - Mr. B.N. Joshi. So, let me say once again, please leave him there where he is and give him (1) promotion, (2) a refresher's course, (3) more facilities to carry on the work and (4) one or two Assistants. Let me assure youthat I will help him to the best of my ability. Please doreply to me.

My dear Rajagopal,

Further to our talk at Dr. Keskar's residence on the 25th instant, I write this to confirm that I am willing to purchase the station wagon that you showed me on that day for the price quoted by you, i.e. Rs.18,000/- on behalf of the Karnatak Health Institute, Ghataprabha. I would now request you to kindly arrange to have the registration, insurance and other papers relating to this station wagon transferred in the name of the Chief Medical Officer, Karnatak Health Institute as soon as possible. I would like to take possession of the vehicle on the 1st or 2nd of April, as I have planned to leave Delhi on the morning of 3rd April in the same station wagon. I am expecting a Bank Draft for the said sum of Rs.18,000/- from the Chief Medical Officer of the Institute any day and as soon as it is received here the same will be handed over to you.

In this connection, however, may I once again impress upon you that this station wagon is intended to carry on intense health educational propaganda in villages under the auspices of the Karnatak Health Institute. We have been doing this kind of work for a number of years now; but we have to increase our pace and be of more service henceforward to a large number of people. Therefore, I would urge you to persuade your colleagues on the Committee and see that I get some more concession in the price already quoted by you. I shall be very much thankful to you for the same.

My Dear Shri Karmarkarji,

We were happy that you could come and spend some time here this visit. It was a very good gathering and with less hurry.

A short report of my visit and summary of my observations in Canada was sent by me to Dr.G.J.Wherret,Executive Director of Canadian TB Association from London at his request.To my surprise,he got it corrected,read it himself,showed it to the Advisor to Govt.on Colombo Plan in Medical section,then got it cyclostyled,distributed copies to all whom I had referr in the report,and sent me some copies also for use here. It wa an outstanding example of Canadian hospitality,efficiency,and thoroughness I would not expect from our countrymen.

As promised,and also suggested by you,I am sending a copy of the report herewith for your personal perusal. Doctor had decided to get the report printed for ease of circulation to the interested persons. When the prints are ready,we will send them to different official agencies who need them for their records,etc. This copy is,therefore to be with you only

This is merely a short report.It is my desire to mak a more comprehensive record on all aspects of life in countri I visited.It will take some time. Your suggestions will be welcome and useful.

Thanking you again and with kindest regards, k

Dear friend

Miss Yamutai Tenaikar, Matron of the Karnatak Health Institute at Ghataprabha Dist. Belgaum had applied for a fellowship under the Colombo Plan for training in Nursing Administration" and had forwarded her application to the Union Health Ministry through your Government This was done four weeks ago

I am now told that the said application has not reached the Health Ministry yet. On making enquiry I find that Miss Tenaikar's application is yet in Bangalore. It has not been despatched to Delhi for the simple reason that the time for receiving applications was up. Some how, it seems, that the State Governments were not informed of the extension of time beyond full month. But when the attention of the Union Health Ministry was drawn to the fact that applications were withheld

on that account,
by State Governments, the Union Health ministry was kind enough to telegraphically intimate the Director of Medical Services, Bangalore to "forward application if any detained through State Government". This they did on the 23rd instant, and ~~still~~ I am again told that the application of Mrs Yamutai Tiraikar has not yet been dispatched. It is in Bangalore. Strange

I am sorry to know this. Will you be good enough to send ~~your~~ that application to the Union Health ministry now at least? I will be highly obliged

My dear Pai,

Thank you ever so much for the invitation. I am sorry it is not possible for me to be in Udipi by about the 6th or even 8th. On Tuesday the 3rd of April I am leaving Delhi for Bombay by road. I will not reach Bombay till the 7th. At Bombay I have some work and will reach Ghataprabha by about the 9th. So I will not be able to come to Udipi during the first week of April, nor in the second week. However, I will write to you after I reach Ghataprabha and let you know the exact date of my arrival there.

I will also ~~xxxxx~~ urge you to inform Mr. K.K. Pai, the President of the Sangeeta Sabha, Udipi, that I am unable to accept his invitation, so kindly extended to me. I am writing to him also.

I am expecting your reply to Ghataprabha by about the 9th of April. I have written to Mr. Hukkerikar also about this.

My dear Abid Ali,

Thank you very much for the information you have given me about the unions at Gokak Falls. I have gone through the letter of Mr. Benjamin S. Gard, General Secretary of the Girani Rashtriya Mazdoor Sangh, a copy of which you had enclosed. I can only say that I know Mr. K.D. Kulkarni, the President of the Girni Kamgar Sangh very well and I assure you that he has nothing to do with either the R.S.S. activities or the activities of the Communist Party. He is a Congress man and works for the Congress organisation, as it has been proved during the last elections. Mr. B.N. Datar, the Home Minister, can tell you about it.

I am quite sure you know me well and you know that I will not associate with people who work against the Seva Dal and the Congress organisation. I will have nothing to do with such of them.

The information that has been given to you by Mr. Benjamin S. Gard about Mr. Kulkarni is entirely false. It is nothing but sheer villification of Mr. Kulkarni. Knowing Mr. K.D. Kulkarni fully well I have associated with him and trying to secure recognition of his union from the INTUC Office.

Possibly you have not forgotten that I have worked with Mr. Yamanappa Arbhavi who is now the President of the Girani Rashtriya Mazdoor Sangh. When I was the President of the Karnatak I.N.T.U.C., Mr. Yamanappa Arbhavi was a member of our Executive. The work that he did then was helpful to the Congress organisation. But later on he became very dominant in Gokak Falls and had seen the way in running the union, he belongs now. I need not repeat that for the methods he employed in running the union he was once sentenced and very bad strictures were passed by the Judge who tried him. Whatever that is, today he is not in tune with the Indian National Congress policy and programme. He works against. He is working against the other Union and is harming the cause for which both the Congress and the INTUC stand.

If you need any more information about the nature, work, etc. of Mr. K.D. Kulkarni, the present President of the Girni Kamgar Sangh, I am willing to give. Please wrote to me to c/o the Karnatak Health Institute, Ghataprabha, Distt. Belgaum, and let me know.

I would like you to see that the Girni Kamgar Sangh at Gokak Falls is pushed giving it necessary affiliati
by the Delhi Office of INTUC. They have already given the fees for the same.

My dear Nimbkar,

One of my grandsons desires to work in the Kirloskar's factory, hence I write to you. He is an engineer. He is working with the Hindustan Construction Company Ltd. from August 1, 1956. He was taken there as an Assistant Mechanical Engineer ona pay scale of Rs.150/- plus Rs.70/- D.A. per month. He was directed to work in public health engineering department.

He has signed their service agreement of a five years' contract bond with pay scale of Rs.200/- plus Rs.70/- D.A. with an annual increment of Rs.15/- per year. He is today drawing Rs.270/- plus Rs.100/- D.A. per month. His duties are to receive and direct machinery for water treatment or sweage treatment plants; (2) to give electrical power connections to these machines; (3) to commission these plants and maintain them for some time. For this purpose he has to move from place to place and he has been doing it for the last five years.

He wants to leave that construction line, as he feels that it is a field of nomads. The question of education of the children is also there. He wants a settled life. He feels that if he could be taken on by the Kirloskars in one of their firms he will have a settled life.

May I request you to see what you can do for him? His name is Mr. Mohan Laxman Garde and knows Dr. Buldana in Berars. Shevades are the maternal uncles of this boy.

The information that has been given to you by Mr. Benjamin S. Gard about Mr. K.D. Kulkarni is entirely false. It is nothing but sheer villification of Mr. Kulkarni. I associate with him, because I know him well. I have absolutely no objection to help him in his Union work, as I am convinced it is not against the Congress organisation.

I have worked with Mr. Yamanappa Arbhavi who is now the President of the Girani Rashtriya Mazdoor Sangh in Gokak Falls. He knows me. I know him. When I was the President of the Karnatak INTUC, Mr. Yamanappa Arbhavi was a member of our Executive. The work he did then was helpful to the Congress organisation. But today he seems to be far away from the Congress group. I need not repeat that for various reasons he was sentenced in a court of law. The Judge passed very bad strictures against him. The papers concerning this will be available in the INTUC headquarters office.

If you need any information about the nature, work, etc. of Mr. K.D. Kulkarni the present President of the Girni Kamgar Sangh, I am willing to give. Please write to me to the c/o Karnatak Health Institute, Ghataprabha, Distt. Belgaum and let me know.

My dear Panditji,

In your message to the 15,000 volunteers of Congress Seva Dal who had gathered in Bombay at their Second All India Rally on Novemeber 24, 1961, you had suggested that they should get the 'National Integration Pledge' signed by people. It did give them a good programme through which the volunteers have been able to contact a big number of people belonging to all walks of life.

Seva Dal offices at Pradeshes, Districts and local branches got postcard size pledge-slips printed and volunteers approached people in their area, explaining to them the significance of the pledge. Till now, we have received in our All India Office 15,509 such pledge-slips signed by people. Of these, the biggest number 11,320 have come from Uttar Pradesh. Other Pradeshes which have sent cards with signatures till now, are Kerala (1952), Delhi (1,000), Gujarat (595), Mysore (370), Punjab (141) and Assam (131). We are awaiting more cards from these and other States.

We are conscious that this is a small number. But it could not be otherwise, because all our active workers were engaged in election work during these months. Now that the elections are over, they will be able to give more energy and attention to this important programme. We hope the work done till now will be only symbolic and a beginning. We expect that before long, our office will be flooded with thousands of pledge-slips which we could forward on to you.

In the meantime, if you have any suggestions regarding the programme, do kindly send them on to us.

I was anxious to meet you personally and hand over the pledge-slips. I am sorry, you were indisposed and I could not see you. I am leaving Delhi tomorrow for Ghataprabha.

I trust you will be your normal self soon and that this greets you in the best of health.

Sir,

Sub: Reservation charges of P. & T. Beds.
Ref: Your Letter No.

I have given careful consideration to the proposal contained in your letter with regard to the splitting up of the charges asked for by me, namely Rs.200/- per month per bed. On earlier occasion also I considered this matter seriously and intimated my inability not to split up the charges due to limited administrative machinery at our disposal.

I am rather surprised that some of the other sanatoria like Jadhavapur, Khursiang, Kanpur Clinic and so on are not only paid a higher rate but even in which case no splitting up of the charges seems to have been insisted upon. Our rates being comparatively much lower, it is not understood as to why the question of splitting up of the charges is taken up again.

I therefore would like to request you to kindly take early decision and agree to our request for the enhancement of the charges from Rs.1,500/- to Rs.2,000/- per bed per annum communicated to you earlier with effect from January, 1962.

Thanking you,

Yours faithfully,

My dear Reddy,

I have a small piece of work with you. You know that I am the Administrator of the Karnatak Health Institute at Ghataprabha in Belgaum District. In addition to the multifarious activities that this Institute has been carrying on for the last several years, we were also doing the work of distribution of milk powder amongst the poorer section of the people in that area. We were getting the required milk powder through the good offices of CARE, UNICEF and such other organisations. However, we have had to stop this work for the last several months, as we have not been getting any supply of milk powder from any of these organisations. So it has now become inevitable for us to seek other avenues for getting the required supply of milk powder in order to help the poor.

Dr. Lotta Hitschmanova, the Executive Director of the Unitarian Service Committee of Canada, who has been visiting India every year and carrying on humanitarian work in some of the villages spread all over the country has been visiting our Institute also every year. She has donated two ambulances to our Institute for carrying on our village health service.

Dr. Hitschmanova has now written to me to say that the Unitarian Service Committee is willing to give us 18,000 lbs. of skimmed milk powder for distribution amongst the poor children of our area. She has also offered another 18,000 lbs of milk powder to Dr. Maitreyee Bose, Convenor, Mobile Medical Unit Sub-Committee, All India Women's Conference, Calcutta, provided we get the necessary import license.

I write this letter to you with the expectation of getting the necessary import license from you. If you would allow Dr. Lotta Hitschmanova of the Unitarian Service Committee of Canada to send 36,000 lbs. of skimmed milk powder from Canada into India this year we shall be able to get our quota. So I appeal to you to help us to be of help to the poor villagers.

For your information I attach herewith a copy of the letter that Dr. Hitschmanova has written to me regarding this subject. The letter speaks for itself.

I am leaving Delhi tomorrow morning and will be in Ghataprabha on the 7th. Will you be good enough to reply to me immediately and assure me that you will do this work for me? Hoping to hear from you to the c/o Karnatak Health Institute, Ghataprabha, Distt. Belgaum,

Dear Dr. Hardiker,

I am immediately following up my promise to write to you and Dr. Bose about your intention of applying for an import license to bring about 36,000 lbs of skimmed milk powder from Canada into India this year. Half of this amount would be destined for your own

Karnatak Health Institute,
Ghataprabha, Mysore State, for distribution
to indigent children and women in those points where medical aid is given;

the other 18,000 lbs would go to

Dr. Maitreyee Bose, Convenor, Mobile
Medical Unit Sub-Committee,
All India Women's Conference Calcutta Branch
(47 Chowringhee Road, Calcutta 16)

This project also has been receiving yearly grants from our Unitarian Service Committee and runs one of our Canadian ambulances. The milk would be consumed in liquid form by the many indigent children and women patients suffering from malnutrition and other diseases which require milk diet.

Will you kindly be in direct touch with Dr. Bose and keep us in Canada informed of developments? As you will see from my enclosed carbon, I have suggested to Dr. Bose to contact you first of all. I do hope that with your help, this urgently needed milk may be allowed to enter India and be of benefit to people who urgently need it.

With kind regards and many wishes for your own excellent work,

Sincerely yours,

Visited the Karnatak Health Institute at Ghataprabha on the 20th February, 1962. The Institute is doing its work of medical relief and health education for the last 27 years. It had to go through stresses and strains; but the worries of the management are not yet over. Their main problem is scarcity of water. The Ghataprabha river flows nearby, but how to bring that water in the Institute is a problem of problems. They have dug wells and the digging of planning commission can relieve them from this difficulty and can have a rural water supply scheme for supply water in near about villages as well.

As regards the working of the institute, the only word that I can use for appreciating it is 'splendid'. Not only myself but also those who preceded me have given highest complements for the humanitarian services that the Institute is rendering. It has (1) General Hospital (2) TB Hospital (3) Maternity ward (4) Village medical service (5) Nurses training centre (6) OPD (7) Convalescent home etc. The annual expenditure came about Rs. 3,40,000/- in 1960. It is met from hospital and TB sanatorium receipts mostly. The expenditure for giving free treatment to poor patients was to the extent of Rs. 40,000/-. The fees charged are normal and the excellent treatment that the patients receive would have cost them many times more if taken outside. The Instituttle has no source of income other than mentioned above. The recurring grant received from the State Government is low (Rs. 6,000/-) only. It is a well equipped hospital with expert and devoted staff. This is the only hospital with all modern equipments in the large area round about.

The Central Government grant was properly utilised. Th accounts are well maintained. Annual reports are published. The staff including the menials is about 207 quite a big number. The maximum number of patients that can be accommodated is 280 and the number of O.P.D. patients was 37,000 in 1960.

The Institute doctors visit the rural area as well and give treatment to the villagers at their homes. The management is keen to extendits activities in the rural area. They can give instructions as to how diseases can be prevented. Hygiene and sanitation are the main things that ought to be taught to these people. How can that be done? When I was there Dr. Wardekar of the leprosy institute and the leprologist of the Mysore State Government had come there for surveying the area regarding the prevalence of leprosy. I was told that it is absolutely essential to approach the people in the area and give them instructions for arms length, which is spreading gradually.

The Karnatak Health Institute is already doing work in Rural areas. But they are handicapped for want of means to do the work more vigorously and extensively. They have asked for a grant of Rs. 40,000/- which they want to utilise for (1) purchasing jeep and (2) for educative purposes. The former comes to Rs. 25,000/- and the latter to Rs. 15,000/- I was convinced that looking to the necessity and urgency of this work the grant should be sanctioned. It will be utilised for checking the leprosy as well. I recommend the grant.

I am enclosing the Proforma along with these remarks.

Visited the Karnatak Health Institute at Ghataprabha on the 20th February, 1962. The institute is doing its work of medical relief and health education for the last 27 years. It had to go through stresses and strains; but the worries of the management are not yet over. Their main problem is scarcity of water. The Ghataprabha river flows nearby, but how to bring that water in the Institute is a problem of problems. Respected Dr. Sahib,

You know that I have given my life to serve Seva Dal in 1923 and from that time I am serving under your guidance. I entered in Government with your permission, when you will call me I will be with you for the service of the Nation. How I can forget Shri Inamdalji or anyone who is and was in Seva Dal Organisation.

Smallest responsibility given to me and I am trying to serve very honestly and labouriously I hope within six months I will be in a position to show my work with your guidance and blessings.

I hope your guidance will be available always.

What is your programme and when you will be at Delhi again?

I wrote a letter to Shri Inamdalji 2/3 days back. I am waiting his reply.

Yours Sewak

My Dear Gopi,

I want "Goa Entry Forms" to be sent to the following persons immediately. The number of forms required for each has also been specifically mentioned. Please be kind enough to secure them immediately, with or without the help of Mr. Goel and send the same to the persons' names.

(1) Shri P.M. Ganorkar, Pleader
Nanuma, Amraoti
Maharashtra State. ... 6 Forms

(2) Shri Annasaheb Gadgil, Advocate,

(3) Shri Kakasaheb Garud, Pleader,
Anandsagar, Ahmednagar,
Maharashtra State. ... 2 "

(4) Dr. S.K. Garud, M.B.B.S.,
Govt. Dispensary, Jejury,
Dist. Poona, Maharashtra State- 4 "

(5) Sardar V.N. Mutalik,
Shanwar Peth, Satara,
Maharashtra State. ... 4 "

(6) Dr. M.K. Vaidya, M.S.,
Karnatak Health Institute,
Ghataprabha, Dt. Belgaum,
Mysore State. ... 5 "

On the 25th of this month, some of these relatives of Mrs. Vaidya are to be present in Goa at the time of the Thread Ceremony of her son (her Prince of Wales).

I am sending a copy of this letter to Mr. Goel also. I am sure he will help you.

I have asked these friends to send these filled-in-forms to your home address. As soon as you receive them, please see that permit is issued by the authorities concerned and sent to their addresses immediately. All the expenses connected with this will be paid.

Please have a talk with Mr. Goel about this and between you two you get the work done.

With love to yourself and the members of the family

Yours affectionately,

N.S. Hardikar

My Dear Goel,

I need not repeat what I have said above to Gopi. For being present at the time of the Thread Ceremony on the 25th most of the relatives will have to be in Goa on the 23rd at least. Therefore, permits of the Government are needed before the 20th of this month. Will you, therefore, hurry up and send these forms now and after to the persons named? Excuse me for the troubles that I am giving you; and I know you will help me in all such matters.

With love to you all   Yours affly.,

My dear Doctor Saheb,

I must apologise for not acknowledging your letter earlier. It is a matter of great pleasure for me that Ch.Sow. Suneetha, my second daughter, who came here in July last, returned to her husband along with her son on 12th instant. Her son, who was not well in the early stages, improved very well and it was good that we detained mother and son till he was six to seven months old. My first daughter, who came here from Hassan for the summer holidays, accompanied Ch.Sow. Suneetha to Nepanagar. Shree Harunahalli Ramaswamy who came to Bombay on 15th instant visited Nepanagar for a day. He left Bombay for Hassan along with his wife and two sons on the 20th inst. My third daughter, Ch.Sow. Sumathi, who came to Bombay on the 15th instant is staying here. My son, Ch.Sreenivas who accompanied my eldest daughter has now gone to Nepanagar. I am expecting him to return from there anyday and he will leave for Hassan by the end of this month. I have thus had the rare pleasure of being surrounded by my children and grandchildren for nearly a month.

Sow. Sumathi, my third daughter desires to postpone the idea of marriage. She proposes to take a job in the first instance. She has submitted application as follows.

1. Temporary post of Demonstrator in the Department of Chemical Technology, University of Bombay.
2. Council of Scientific and Industrial Research, Regional Research Centre, Hyderabad; Post of Senior Scientific Research Assistant (20 posts)
3. Council of Scientific and Industrial Research, The National Physical Laboratory, New Delhi, Junior Research Assistant (5 posts)

She is applying for Research Scholarship as follows.

1. i) Saha Institute of Nuclear Physics, Calcutta.
   ii) Course - Associateship Diploma Course in Nuclear Physics.
   iii) Period - 1 year
   iv) Scholarship - Rs.200 per month.
2. i) Indian Institute of Technology, Powai, Bombay-76.
   ii) Course - Doctorate
   iii) Period - Not fixed, will be admitted to register for Doctorate after a period of research
   iv) Scholarship - Rs.250/- per month; initially for one year, renewal for subsequent years to be considered at the end of one year.

Ch.Sow. Sumati is anxious to take up a job which will enable her to improve her proficiency in her own subject. Otherwise, she prefers one of the scholarships for further studies. Without scholarship, she will be unable to prosecute her further studies. Failing to get a scholarship, she would prefer the place of a Research Assistant.

I am looking forward to your advice to her in the matter. I do not know how far I can help her in securing a suitable job.

I am looking forward to your help in the matter. It will be good if she can secure a job in the Indian Telephone Industries at Bangalore. Please see if you may write to Shree K.C.Reddy in the matter.

Please write about your health. I hope Shreemati Rangatai and Shree Ramarao Shevde are well.

Dear Dr. Hardikar,

Kindly recall the talk we had at Hubli last week. As desired by you, I am herewith enclosing a review of the P&T Development undertaken by the Mysore P&T Circle during the last 2 years. A copy of the brief address by the P.M.G. to the members of the P&T Advisory Committee on the same subject, as well as, printed pamphlets on the future programme during the Third 5 Year Plan period are also sent with this for your information.

secure a good job for her, in which she can continue for as long as possible. I want your advice and help in this matter. She is anxious to secure a Gov't appointment, where she can honestly discharge her duties. She would also like to continue her studies for a Doctorate in Physics, if she can secure a scholarship/Fellowship. She has so far put in her application for the following:

1. Central Council of Scientific and Industrial Research, New Delhi: 1) Post of Junior Research Assistant in the National Physical Laboratory, New Delhi
   2) Post of Senior Research Assistant in the Regional Research Institute, Hyderabad

2. Bombay University; Department of Chemical Technology; Post of demonstrator in Colour Physics.

3. Indian Institute of Technology, Bombay; Fellowship or Research leading to D.Ph. or D.Sc.(Rs 250/ P.M.)

4. Saha Institute of Nuclear Physics, Calcutta; Fellowship of Rs 200/ P.M. for Diploma Course in Nuclear Physics.

The Atomic Energy Establishment at Bombay and the Indian Institute of Science at Bangalore have called for applications for fellowships in research leading to Doctorate degree. She is applying for them also.

Her first preference is for securing a fellowship so that she will be able to specialise further. Next preference is for the post of Research Assistant of the Central Council of Scientific and Industrial Research. Ultimately she desires to take up some post in the Educational line preferably in or near Bangalore. Failing all these, she will have to take up some job immediately, in which case, she would like to secure some job in the Indian Telephone Industries at Bangalore.

I have given you an idea of her preferences. But she will take up other work if there is no choice. So long as we are at Bombay, which may be for a year more, she would like to get some job in Bombay, which may be an additional qualification for her in securing some job at Bangalore later. If the post at Bombay is suitable and safe for her, she may even decide to continue at Bombay. Kindly let me have your advice. I have to request to do everything possible to help this unfortunate girl, whose marriage may have to be postponed for the time being and whose marriage may depend upon the other party agreeing to her continuing in service.

I hope you are well. Please write to me about your health

Copy of Letter dated 5th June, 1962, written by Sh.K.V.Sreenivas, Son of Sri K.A. Venkataramaiya, after his narrow escape from the Railway accident, which took place near Kundgol on 4th June, 1962.

Safe.

Dear father,

I came here safely today morning at 6.30 A.M. Here Bhava, Sushila and Children are well. Ashok has no cough. Hope all of you are well. I know that you have read in todays papers about the derailed train, in which I was travelling. I am healthy and have not sustained any major or minor injury. So, you need not worry yourself. Inform mother, Sumathi and Putti this thing and let them not worry unnecessarily. For your satisfaction, I am giving below an account of my journey from Bombay itself. And here it is:

At 8-45 A.M. 3rd June, '62, Bombay-Poona Express left the Victoria Terminus, platform No. 10 for Poona. I had a comfortable seat in the reserved compartment. I had no trouble till I reached Poona. On enquiry I found out that the train was to reach Poona at 12.30 P.M. and that the Poona-Bangalore Express would leave Poona at 1-30 P.M. But unfortunately the train was late and reached Poona at 1-20 P.M. I had hardly 10 minutes to change over. On enquiry with the T.T. in charge of the sleeping car after changing over, I found him saying that there was no reservation in the car even after giving him the ticket. He refused to give me a seat. There was too much rush, but I somehow succeeded in putting my things into the sleeping car. After there was no more crowd, I got down leaving my things in the car and approached him, showed him the ticket and asked him to go through his chart, and at last, he found the 16th seat in the coach reserved in my name. I got into the coach thanking God for his timely help, and just then, the train marched. I found my seat occupied and claimed by some other gentleman. Then I reported the matter to the T.T. in Charge, and he set things right and I got my seat.
I was hungry by that time, so I opened my bag and began to eat. ~~I was very hungry by th~~ One thing I should tell you, one Mr. M.Ramnath, accompanied me all the way from Bombay. He was at this time friendly with me as he had also run into trouble. He had his luggage in the break-van and I had helped him here and there. We both took food side by side. With some exchanges I left seat No. 16 and occupied seat No.12 and thereby joined Ramnath. We took food and settled. I took coffee that evening at 5.30. I ate food at Miraj at 8.30 P.M. and went to sleep.

A bad day then began. I got up at 1.00 A.M. on the 4th. I was lying till 4.20 A.M. I had sleep in the middle. I was at Hubli at 4.20 A.M. The train was late for lack of water, for the engine. It left Hubli at 5.30 A.m. We had hardly gone 15 miles from Hubli, when the train suddenly and very violently jerked and crashed to a side. It was then 6 A.M. It was already morning. The sky was bright. The side wheel was broken in the side it had crouched. The spring got caught in the jelly near the rails and somehow didn't fall fully any side. The wheel at the other side was up about a foot from the rails. All the passengers got off the train after they learnt it had derailed. So did I. The engine was on the bridge under which was flowing a small riverlet. There was not much water in the riverlet. The part of the engine where water is stored broke away from the rest of the part of the engine. Its wheels at one side went off the rails and had come a little bit off the bridge. The coal storage portion had crouched a little and the other part of the engine was standing alright. Three carriages went down the rails. The first one after the engine a breakvan was fully broken in into pieces and had fallen into the water under the bridge. The windos of a II class carriage were facing the sky and had come down on the slopy part of the track. The other a first class bogie also had run outside the rails and to some extent it can be said that it was supporting the sleeping car behind it from falling down. The end part of this carriage was as though locked. The passengers in the II class bogie were in the

2....

carriage itself and they could not come out. We had left our baggages in the compartment itself. Message was sent to Hubli and Bangalore. At 7.30 relief train cam with medical aid. About 3 people had died on the spot and one died later on the way to the hospital. About 30 were injured. About 14 very seriously. All of them were given medical aid and the patients needing more treatment were put into the relief train. Engineers of the Railway and other officials cam there and made an inspection of the whole situation. At about 10 the relief train, with passengers willing to go to hubli, went back. In the meanwhile, people had gathered around the spot from the nearby villages. But By that time it was 12 noon. The villagers had brought chapaties, Kadalapuri, Milk, tea. They served. Everybody was served with the first two and the last. Milk was served to young children. They worried us to take the food. Bu that time local people and some Gramsevaks volunteered themselves to carry our baggages to the otherside of the riverlet, as the relief train was to come on the otherside of the bridge. We (all the passengers for the onward journey) crossed it. The Police Officers came and offered their vans to move us to Samshi the next nearby station on the Harihar line. By that time, it was 1.30 P.M. and all of us had lost our energy and patience in spite of the villagers generosity. They put up a tent there and began sitting tea and eatebles. All the passengers reached Samshi Station at 3 P.M. The train came there at 4 P.M. and it took us back to the accident spot coming back to Samshi. This train was not shedule one and we could not estimate at what time it would reach Arsikere. When calculating according to the Time-table out train would reach Arsikere around 11 p.m. The connecting Arsikere-Mysore train would start only at 4 A.M. on the 5th. So, I decided to go to Bangalore with Ramanath and then come to Hassan, there by avoiding about 6 hours of waiting at Arsikere. As needed for the implementation of this decision I changed with the above named passenger at Savanur, 3 stations past Samshi and 3 stations past Hubli. There was a mail train there waiting exclusively for us and others could travel if spare was left over. We got there into a II class compartment and settled there. The station master at Samshi had told us that we could got into any class. The T.T. came there and he quarrelled with us to get us own but without success. Then he no more bothered us. At night we took food at Harihar and slept. Our train reached Arsikere at 4.30 A.M. on the 5th. There some passengers in our compartment were going to Mysore. I got down at Arsikere thanking Mr. Ramanath for his help. I got seat in the Mysore train. And it started at 5 A.M. I reached here at 6 A.M. I have given you the details of all the incidents of the journey. I have left out details this long narration of incidents, I am sure you and mother and Putti will be relieved of fear that I may be hurt, what I had to suffer on the way, and whether I was safe secure. I think these details will clear you of all fears beyond all doubts. I have nothing more to write about this journey. I did not lose any money or ticket or things. I brought back Rs. 23/- and handed them over to Sushila. Here, Mr. Parthasarathy Iyengar was very badly disappointed to find me unable to give them any news of their daughter Mrs. Gayatri Ganesh who was expected to come in the same train. Here Bhava and Sushila have taken great pains to seek news about me. They seem to have been trying to know whether I was in the injured or dead list. They were very much upset at hearing the news of the accident. It seems that they were read out the list of the dead an the injured and they did not find my name nor Gayatri's name and were very happy at it.

I hope this narrations sounds as speaking face to face and this may help you in getting a clearer picture of the incidents. Some discription as to the position of the train can be understood more clearly in the photographs of newspaper reports. Every was happy to see me. It was arranged to send somebody to Hubli to know the details or Bhavan would go in person to Hubli. As soon as I arrived here Brother-in-law has sent a telegram to you. You may have received it, at the time when I am writing this letter.

I think that some 50 people would have died on that fatheful morn but for 2 reasons, that is, the driver did a valuable work by applying brakes as he heard a peculiar sound from the rails and kept off the bogies from entering the bridge. And inspite of that the inevitable took place second is only high class bogies were there next to the engine and that brought down the toll to a considerable extent.

I will end this letter by thanking God for helping me out of trouble. Please convey my namaskars to mother and Sumathi. Also convey my Ashirvad to Putti. I will write you again. I expect your letter at the earliest.

Yours affectionately,

Sd/-

My dear Doshi,

Hope you have received my earlier letter. I am deeply grateful for all your kind feelings. We cannot afford to be disheartened by whatever happens. You will readily agree we must do our duty to our best wherever we are.

I am leaving tonight for Bombay on my way to Dharwar on a little urgent work. I shall be leaving Bombay by the 16th night mail and will be arriving at Dharwar on the 17th noon. I shall be passing through Ghataprabha 'Station' on the 17th early morning. I shall be happy to meet some representative of yours at that time to know how you are.

I hope this finds you in the best of health & cheer. Please convey my compliments to Dr Mr Vinaya & his other colleagues.

Yours sincerely

My dear Doctor,

I have casually said when we met at the station that I might return to-day by mail. As it is, I have been detained and I am likely to start from here either on the 24th or on the 25th. I will intimate to you my programme quite in time.

I have suggested to Dr.Vaidya that you may think of inviting Dr.Sushila Nair for some fitting function like the inauguration of the Out-patients' Building and also Dr.B.S.Raju, whom you have already invited. I have spoken to both of them and they have agreed to come over this side at their earliest convenience. Dr.Raju indicated that he may be able to come by the end of July.

I was happy to see you all for a brief while. That is very much, for the nice tea and sandwitches which Devdass also enjoyed very much.

My best compliments to all colleagues and friends,

Yours sincerely,

NEW DELHI

June 22, 1962.

Dear Dr. Hardikar,

I thank you for your kind letter dated the 3rd instant inviting me to visit the Health Institute at Ghataprabha on the 29th. I am sorry I am not able to come to Hubli for opening the new hospital building built by the Southern Railway as I have to be in Calcutta on the 29th of this month. I shall look forward to the pleasure of visiting the Health Institute at some other time.

Dear Dr.Hardiker,

Please refer to your letter datedJuly 3, 1962, to Dr.Sushila Nayar. Dr. Nayar has gone on a foreign tour and returns only on the 20th July. I shall place your letter before the Health Minister on her return.

I may add that no date has yet been fixed for Dr.Nayar's visit to Hubli and it is most unlikely that she would visit Hubli in the last week of this month.

My dear Doctor,

I am in receipt of your personal letter dated the 2nd instant. I am looking into the matter and shall certainly do what best can be done.

Unfortunately, Dr.Sushila Nayar is unable to be here on the 29th instant as programmed. We are therefore requesting Shri Nijalingappa, Chief Minister of Mysore, to perform the opening ceremony. Official invitation to you will come in due course.

I have planned a Divisional Inspection of the Belgaum-Miraj Section on the 18th inst. and I regret it will not be possible for me to say the exact time of the arrival of the Special (Goods train) at Ghatprabha. I shall however give you sufficient notice about the expected arrival. As I will be accompanied by the Divisional Medical Officer and the Divisional Engineer concerned, I shall be obliged if you will kindly make it convenient to meet us at Ghatprabha for a joint inspection.

My dear Hardikar,

Thanks for your letter of the 10th just received. I quite appreciate your position as well as the difficulty of Mr. Datar.

I have formed a trust to put up Health Home and Sanatorium at Vajreshwari hot water spring at a cost of Rs.2,50,000. I am contributing only Rs.20,000 and the balance amount I have to collect from friends. This project is undertaken by me because of the great healing powers of the hot water springs. Experienced friends say that 85% of the rheumatic and paralytic patients are cured after a month bathing in the hot water spring The sanatorium is to be named after late Pandit Motilal Nehru. It is therefore not possible for me to go on begging for any other thing till I complete with what I have undertaken. You will therefore kindly pardon my inability to assist you at the present moment.

My Dear Mulraj,

Thanks ever so much for your prompt and frank reply. How nice and kind! I do not desire to trouble you in the least when you have made your position quite clear.

Even so, I have to make a request to you. See if you can help us. Here in this Institute we run an Auxiliary Nurse Midwife School. We have to train 50 girls every year. Government of India gives 50/- Rupees stipend to each of them. But it is not enough. From this amount we have to pay their canteen bill, the cost of their uniforms, dhobie charges, some pocket money for oil, soap, books, exercise books and examination fees. There is a deficit. We have to make this deficit somehow.

The trainees and our permanent staff need sarees and caps. Also, blouses and aprons. We have to get 2000(two thousand) yards of mercerised (voile) white cloth for uniforms and 1000(one thousand) yards of long cloth for Aprons, blouses, etc.

Will you be good enough to request one of your Mill-Owner friends to supply the same to us at concession rate? If we can get 25% or 20% concession s from your mill-owner friends, that will go a long way to solve our difficulty. We shall them be able to manage within the given amount. Please, therefore, think and see what you can do for us.

Dear Dr. Hardikarji,

The plans and estimates of the building are made ready. The management of the Cotton Mills at Gokak Falls have agreed to give a plot of land measuring 300' x 400' to the Government of Mysore for the said building. I am told the said plot is situated just opposite to the Falls on the Gokak-Konnur Railway Station road very near the mill area. As I am at a loss to know the exact location, I think I should visit the site and proceed with the construction of the building.

As regards the exemption of tax, I have instructed the office to expedite the file. I will do the needful after I receive the same.

My Dear Gejji,

On April 2nd, 1962, I had written to your department requesting for an Import Licence for getting Skimmed Milk Powder from Canada. The Chief Controller of Import & Export was kind enough to give us a Licence No. 989035/60/CCI/H^ dt. 25-4-1962 for the Import of 36,000 lbs. of Skimmed Milk Powder. While writing th t let er the Controller had said :-

> "You are also requested to send a formal application along with a Treasury Receipt for the appropriate amount for our record purpose".

As we did not understand what t is "formal application" was, we consulted the Treasury Office in Belgaum. They were unable to give us any idea about the "formal application" or the "Treasury Receipt" mentioned in that letter. Now, therefore, I am writing to you to let me know what t is "formal application" is and also what that "Treasury Receipt" means.

36,000 lbs. of Skimmed Milk Powder w ich is meat t for the mobile medical unit of the All India Women's Conference, Calcutta and for the Karnatak Health Institute at Ghataprabha, has already been despatched from Canada by Dr. Lotta Hitschmanova, Executive Director of the Unitarian Service Committee of Canada of that country. It will soon arrive.

The Licence is in our hand. Skimmed Milk Powder will go to Calcutta first and then half of it will be despatched to Ghataprabha for us. I want to know just exactly what I should now do.

Please be kind enough to write to me either yourself or do ask the Office concerned to guide me in the matter. I'll be awaiting your reply.

My Dear R.M.,

Your letter dated 17-7-62, D.O.No. 300 regarding a plot of land near Gokak Falls for building a Rest House and a Canteen nearby has already been replied and I am sure you are in possession of the same by now.

To-day, as promised in my last letter, I am sending to you a "sketch showing the location of the proposed site for Rest House at Gokak Falls". On our enquiry this sketch was sent to us by the mill management. It is authentic. It is meant for your use.

On this sketch we have marked in red ink the road leading from Dhupdal to the Falls on the left bank of the River Ghataprabha. The location of the Rest House also has been marked in red. That also is on the left bank of the River. That is what we want and what we have been asking for the last four years.

The plot of the land which has now been promised by the mill is on the right bank of River Ghataprabha just near the Mill itself. On this side there are a number of temples, tea shops and places for resting for tourists. Even then if the Mill is willing to give that plot of land do take it and with their help build a Rest House on the Right bank(near the Mills). We have no objection. But at the same time let them help us to build a Rest House on the Left side also just across the river.

You remember we went to see the sites that night when you had come here last time? We went to the Mill side (right Bank of Ghataprabha) and surprisingly enough we were standing on the same plot of land which the Mill is now offering to you. Please note that we are not anxious to have a plot on the right bank.

I think the sketch that is now being sent and this my explanation gives you a clear idea about the site of the Rest House which we want to be built on the Left Bank of Ghataprabha. Of course, unless you give us a road from Dhupdal ~~to~~ the Rest House on the left bank will have no meaning. Therefore, while thinking of the Rest House you have to think of the Road to that Rest House also. Am I correct?

With love

Your brother,

N.S. Hardikar

My Dear Dr. Alva,

When you were elected and chosen as Minister, I wrote to you a letter. I do not know whether you xx received it or not.

I do not know whether you have ever come this side. You might have; but certainly not to Ghataprabha, a village in the Gokak taluka of the District of Belgaum. Here is situated the Karnatak Health Institute to which I belong. I want you to pay a visit to this Institute and see for yourself the work that it is doing. You are the Health Minister of this Province. I want you to know just exactly what this Institute is doing and what it could do to help your department.

Will you be good enough to write to me a line and let me know when it will be possible for you to come?

With love

My Dear K.K.,

I have been reading the statements that you are issuing and the speeches that you are delivering. All those have enthused me and I am glad to see that you are one of the General Secretaries of the Indian National Congress. Shall I say god-speed to you?

Mr. Inamdar has written to me a lot about your thoughts regarding the Seva Dal Organisation. Good indeed! Inamdar is there to place before you all the ideas which we have made our own and which we have been longing to put into effect. It is our strong desire to see a well-built, disciplined Dal Organisation to serve the Congress efficiently and effectively. Now that you are there we will get your support and active help and assistance. Please do not be formal in demanding my services of whatever work they may be. Afterall I am a small man doing very small things. Use me and my services for the good of the nation in whatever way you like.

I am here at Ghataprabha, district Belgaum, a place which is known for the Karnatak Health Institute. I belong to it and I serve it in my little way. Whenever you happen to pass this way, will you make it point to come and visit this Institute? See for yourself the work that we are doing and guide us.

I hope you will write to me a line in turn.

My Dear Chandrikji,

How glad I am to know that you are in charge of the Central Seva Dal. Mr. Inamdar, the All India Organiser of the Congress Seva Dal has written to me a lot about you and has made me to think a lot about the future of the Dal Organisation. Now that you are there with the help of Mr. K.K. Shah and Mr. Sadiq Ali, I am sure the Seva Dal is bound to make rapid progress in the country. If only we get support I am sure we will be in a position to get thousands of youths trained and disciplined for the use of the Congress. I need not say much at this juncture. I know my friend and colleague Mr. Inamdar will place before you all our ideas and take your guidance in furthering the cause.

Ghataprabha (district Belgaum) where I live, is the home of the Karnatak Health Institute. I want you to visit it. See the work we are doing and help us to push the cause of helping the ailing humanity. In a day or two, I will send you the literature of the Institute.

I hope I will hear from you ere long.

My Dear Col. Raju,

Your letter dt. July 16, 1962, No. Dy187/62-DMH was received by me two days ago. Thanks.

I am glad you are at your job. Please do study the files and get yourself acquainted with the work that your predecessors have done. I want you to unburden yourself and give me some of your work, so that I can also be busy helping the cause. Do come here and see the work that we are doing. It is along your own lines. You will like it and I am sure you will appreciate it. Unless you see it yourself You will not be able to take work from me. Hence I have been requesting you to come.

When are you going home? Have you brought your family there? Please do write to me a line.

Under separate cover I am sending to you a pamphlet of the Karnatak Health Institute which gives some information about the organisation.

My Dear Krishnappa,

When you were Dy. Minister in the Central Government you had said that you would be ready to give a wagon load of cattle heads for a dairy here at the Karnatak Health Institute. We were anxious to have a dairy of our own for the simple reason that pure milk is not available for the suffering patients, their relations and the staff of the Hospital. But as the dairy would entail a heavy cost and as no grazing ground was available in the neighbourhood of this campus, we could not avail ourselves of the splendid offer you had made.

Under your instructions then, officers belonging to the Veterinary Department of the Government of Mysore had come here from Bangalore to make enquiries about the feasibility of having a dairy in our campus. At that time we were told by him that within 2 years a Government Dairy would be started by the Government of Mysore in Belgaum and we would be able to get our supply of milk from it.

To-day, our needs of milk have increased because of the increase in the number of patients in our Institute. Patients and their relations are pressing us to have at least a few buffalos and cows - if not a full dairy - to satisfy our partial wants. We were reluctant to do so, because of the fact that we have not enough money to invest in dairy which is a very costly affair and that we were expecting the Government of Mysore to start a dairy of their own.

Will you be good enough to let me know whether such a dairy in Belgaum is being thought out by your department and whether it will be able to give us at least 500 lbs. of milk every day for consumption? If it is not to happen, then will you advise us to start a small dairy to satisfy our partial wants? I say 'partial' because of lack of money on our part. Even for this little amount we will have to depend upon our friends like you and the Government.

Please do let me know what I should do.

D O No 311

Dear Shri Raj Bahadur

Subject:- Development of Gokak Falls as a Tourist Centre.

...

I write to state that it has been proposed to develop Gokak Falls in Gokak Taluka of Belgaum District as a Tourist Centre. At this place, there is a famous water falls which attracts tourists all through the year. The River Ghataprabh falls at this place by a vertical height of about 200 feet near Gokak Mills situated about 4 miles down stream. This provides a beautiful and enthralling sight to the tourists.

The lure of water falls is always irresistible anywhere and much more so in respect of the Gokak Falls which can be enjoyed for nearly 9 months in the year. Another attraction of this place is the small hydro-electric unit which was established by the Gokak Mills as far back as 1898. Moreover there are two ancient temples in this area which date back to the 9th or 10th century A.D. This place is a health centr also and the water has got curative properties. This is something like an European spas to which people come in quest of health. The Karnataka Health Institute located at this place is rendering yeoman service to the people under the inspirin guidance of Dr. N.S. Hardikar ably assisted by Shri Vaidya, who has dedicated his life to the service of his fellowmen. He has dedicated his life to the service of humanity and his manifold sacrifices have earned for him the enduring gratitude of the people.

Realising the importance of this place, the State Government has decided to construct a middle income Tourist Rest House at this place at an estimated cost of Rs.0.55 lakhs und Part III Schemes of the III Five Year Plan. The site chosen is on the left bank of the Ghataprabha river near the Gokak Falls. There is also a proposal to construct an approach road from Ghataprabha Railway Station to the Gokak Falls via Dhupdal village.

As this is a place of All India Tourist Importance, it is considered necessary that a pavilion with fine garden should also be constructed for the benefit of the tourists. Although this scheme is included under Part III Schemes

160

of the III Five Year Plan, I personally feel that this place requires greater improvement of an All India basis. I would, therefore, like to request you kindly to get the question examined and see if this scheme of developing Gokak Falls as a Tourist Centre, can be included under Part I Schemes of the III Five Year Plan. I am constrained to observe that the total plan outlay of the III Five Year Plan for development of Tourism for Mysore State is only of the order of about Rs.24 lakhs including State's share and the Centre's share. As this is too small an amount in comparison with the tourist attractions of the State and also the magnitude of work to be done, the State Government is making a request to the Centre separately to enhance the Plan outlay of the State. I would like to discuss the question with the concerned authorities when I visit Delhi next and I look forward for the pleasure of meeting you at Delhi when I come there. In the meanwhile I shall be grateful if you can use your good offices and see if this question is taken up for examination and necessary action early. I may add that it is worthwhile to include Gokak Falls as a spot of all India Tourist attraction and develop it accordingly.

I wish to add that the following improvements are necessary in order to cater to the needs of the tourists who visit this place.

1. First Class Tourist Rest House with an attached canteen
2. An approach road from Gokak Railway Station
3. A Pavilion with a good garden.

I shall be thankful for an early reply in the matter.

With kindest regards,

Yours sincerely,

My dear Hardiker,

Received your kind letter. Seva Dal is one of the organisations which I like very much and I want that by the time we face the next General Elections, its branches are established in every Assembly constituency. I am attending the All India Seva Dal Convention which is being convened at Ooty, on the 7th of August. I shall be there for two or three days. I would be very much pleased to discuss the future programme of Seva Dal and finalise the same.

I have heard much about your Health Institute at Ghataprabha. I shall take the earliest opportunity to visit and acquaint myself with the activities of your Institute.

Sub:- ~~Grant~~ grant in aid building of Rs. 87,500/-
to the Karnatak Health Institute, Ghataprabha.

Ref:- Letter No. OR.4577 CRT(30)/62-63 dated 1st/3rd Aug.62,
from D.M.S. addressed to The Secretary to the Govt. of
Mysore, Public Health Labour and Municipal Admn.,Dept.,
Bangalore.

Dear Sir,

We are worried by the above letter from the D.M.S. The amount of Rs. 87,500/- was sanctioned on the basis of 50% of the expenditure on the building because the efforts of K.H.I. in Public Service were appreciated and its importance to this part of Mysore realised be the D.M.S. and the Government of Mysore.

On the basis of the original order No. LLH 172 MDA 59, BANGALORE, DATED 23 May 1960 K.H.I. was asked to make plans and estimates and undertake the construction of the building. It was done by us with regular referances to the Government from time to time, though the difficulties to raise the balance of 50% for such a cause were great. Actually the expenditure has been much more over furniture, equipment, and several other necessacities of a Hospital building and we expected to get more help from the Government for these, which Proper authorities visited ~~and~~ saw the work and the needs.

Besides, we still have been asking the contractors to stay their demands untill we get the third instalment from the Government and they have been kind enough to understand us though over a year has passed after completion of main building.

It has been unusually long due to routine, but the Executive Engineer and The Dist. Surgeon have done their best to help us complete the formalities and procedures as quickly as they could. And when all looked cleared, comes this unexpected suggestion from the present D.M.S. which seems to threaten trouble for an institution like this which works with strained finances & maximum economy with - honesty and faith, for the suffering humanity.

The original Government order was passed before the new rules were formed. All the steps were taken on the original order and Government was kept continously informed of the progress of work. At no time during these two years was any modification demanded either the new Government Notification or by specific communication to K.H.I.

We request therefore, the suggestion of the D.M.S. be given consideration in the light of the above facts, and the amount due to us may be kindly sanctioned at the earliest and present financial difficulties of K.H.I. relieved.

Yours faithfully,

Sub:- Grant in aid - building grant of Rs. 87,500/- to the K.H.I. Ghataprabha, (Karnatak)

Ref:- G.O. No. LLH-172-MDA-59, dated 23-5-1960 and subsequent correspondence.

Government were pleased to sanction a grant in aid of Rs. 87,500/- to the K.H.I. Ghataprabha for the construction of an Out-patient Block, to be disbursed on three instalments.

Tow instalments of Rs. 29,166/- each have already been disbursed under authorisation by the Accountant General.

Now the Institution has furnished a completion certificate issued by the P.W.D. showing the total cost of the building as Rs. 1,76,820/- and asking for the payment of final instalment.

According to the grant in aid rules (Government Notification No. LLH.353-MDS.57, dated 16-6-60), the maximum amount of building Grant payable is one-thirds of the total cost of the Building. The sum of Rs. 58,332/- already paid to the Institution is approximately one-thirds of Rs. 1,76,820/- i.e., the actual cost of the building. Therefore the K.H.I. is not entitled to receive the balance except the small sum of Rs. 634/- being ~~xx~~ the difference between one-thirds of the actual cost i.e. Rs. 58,966/- and Rs. 58,332/-, the amount already paid.

This may kindly be confirmed.

No.4/49/CO/62. Bombay-56 1-8-1962

Dear Dr. Hardikar,

I enclose herewith an application and addressed to me by Shri Ganpat a Class IV employee of the Commission. He has been in the service of the Commission for the past many years and has a good record to his credit. Lately, he suffered from pleurisy. He has been asked to go in for treatment in a dry-climate away from Bombay since he belongs to Karnatak. He has asked me to submit his application to you for admission to your Health Centre. May I request you to consider it sympathetically?

Yours sincerely,

(Vaikunth L. Mehta)

Dr.N.S. Hardikar,
The Karnatak Health Institute,
Ghataprabha, Dist. Belgaum,
MYSORE.

Bombay,
2nd August, 1962.

To
The Chairman,
Khadi & V.I.Commission,
Bombay-56.

Respected Sir,

I have been suffering from cough, etc. for some time and in recent days I vomitted blood ~~from mouth~~ and subsequently consulted the doctor, who advised me to take X-Ray, etc. I did so and the doctor has prescribed some injections and other medicines. I had taken some loan from my provident fund for this purpose, but it also could not meet the requirements of treatment. Sir, as you know I am a low paid Class IV servant of the Commission and could not afford to meet the heavy expenses on my treatment. It is doubtful, whether I can get any concession from public hospitals if I directly approach them. In the circumstances, I can only look for your kind help and humbly request you to recommend me to some public hospital where I can get free treatment and thus regain my health and survive.

2. My home town is in Karnatak. I wish I can be admitted for treatment in the Karnatak Health Institute, Ghataprabha near my town. My only request to you is that I want a letter of recommendation from you to this hospital. I shall be ever grateful to you, Sir, for your kind help and feel sorry for troubling you.

Yours faithfully,

(G. B. Bhosale)
Peon.

My Dear R.M.,

For a long time I have been waitting to get your order for Tas-free Vehicle which I have to use for carrying on Health Propaganda in Villages on this side.

At New Delhi, from the All India Congress Committee we purchased a four wheel station wagon (Willys Jeep). The Health Ministry of the Government of India gave us a grant to purchase a vehicle and to carry on our Health work in the villages of this District. Through this work we were to pay more attention to the prevention of diseases and to propagate ideas for improving sanitation and health in villages.

We wanted this vehicle (DLF 8096) to be exempted of Road Tax. Therefore, we wrote to your department on 20-4-1962. On the same day we did write to the Regional Transport Office at Belgaum. I had also reminded you about it. You were good enough to say that you were examining the matter and that you would attend to our request soon. More than four months have passed. We have been waitting to get your order. The vehicle which is given by the Health Department of the Centre is lying idel and is not put to use. Not only that but the work for which it is purchased is suffering.

So, will you kindly write to me at once and give me a line clear to use the Vehicle tas-free? I will be highly obliged for the same.

Your brother,

My dear Doctor

I regret I was not able to write to you till now though I duly received two kind cards from you.

We are all keeping well. Both Nalini and [illegible] are doing well with their studies. Dear Aruna also progressing well with her M A studies. Dear Shanti is also keeping well.

As you might be knowing, we have kept dear Bendu at Banaras where he has joined the [illegible] College for his B A. I have received letter from him to say that he is doing well.

I hope that your application for aid for this year has been duly forwarded to the [illegible] Ministry. I am making enquiries and will let you know.

It appears that Dr Rajan is going to Punjab, Rajasthan immediately after the session is over. I am asking him whether it will be convenient for him to visit [illegible].

Some people (well-wishers) appear to be thinking ~~about~~ that there is likely to be some

My Dear Shivanna,

Herewith please find a reminder that I have sent to authorities in handicrafts industries of the Government of India and the Social Welfare Board. I am sending it to you for your information and guidance.

Sometime ago I did write to Mr. Savanur, the Asst. Director of your department at Belgaum and requested him to communicate to you my desire. He must have done it. But I have not yet received any reply. I am anxiously awaiting his reply as well as a letter from you.

Will you be good enough to write to me a line and let me know as to what I should do? Please!

My Dear Chetty,

How thankful I am for your prompt telegraphic approval in reply to my telegraphic appeal!

Please allow me to invite you to come and see this ANM School which we are running for the last five years and more and for the extension of which you have kindly permitted. I do not know whether you have come any time this side in the past. Whether or not, I want you to spare your valuable time now to come here, to see the Institute, to examine the work that we are doing, to guide us, and to receive our unreserved help in the work that you have shouldered.

Will you be good enough to accept our invitation and come?

You have not replied to my letter - especially regarding the exemption of RoadTax for Vehicle DLF 8096 which I brought from - New Delhi in the month of April 1962. I have kept the vehicle without use; the work suffers. My idea was to take it in villages of neighbouring talukas and carry on"prevention of diseases" campaign. It is for you to help me. May I get your permission immediately so that I may begin my work without waiting any further?

My dear Dr. Hardikar

I write this with reference to your letter of the 3rd September, 1962 about admitting Ganpat Bhosle in the Karnatak Health Institute Sanatorium at Ghataprabha. As desired by you he sent his X-ray photograph and other particulars. He has been informed under letter No. 4667 dated 13.9.1962 from the Institute that he would be admitted in the Hospital and that you would write to me in the matter of expenses etc. I have not had any letter subsequent to that of the 3rd September, 1962. But I hope Ganpat Bhosale will be admitted as soon as he presents himself at Ghataprabha. About the payment of expenses I am asking the office to examine the position.

My Dear Kadappa,

About a month ago Mr. R.M. Patil, the Minister for Home Affairs in Bangalore, wrote to Mr. Raj Bahadur about the road from Dhupdal to Gokak Falls and a Rest House on the left bank of Ghataprabha. I am sure you have read the letter. Have you replied to him? Why not write to me a line about it? I am anxious to get this work done.

The present Home Minister of Bangalore is in favour of your scheme about which you have been trying for the last 5 years. Mr. R.M. Patil had come here 2 months ago. At that time we had gone to the spot near the Gokak Falls where we want to construct a Rest House. He did approve the scheme and after that he wrote to Shri Raj Bahadur. He had sent a copy of the same to me. But he has not sent any copy of the reply he might have received from you. So, please write to me immediately and let me know as to what you are thinking in the matter.

My Dear R.M.,

I do not know whether you are receiving my letters. I am baffled at your silence. Why so? What mistakes have I committed? Please do write.

I want to get exemption of Road-Tax for our Vehicle DLF 8096 which I purchased at New Delhi from All India Congress Committee in the month of April 1962. I want to work; move in the talukas; go deep down the villages. If we have to go to the nooks and corners of our villages, we have got to have a strong vehicle. We have got it. I want you to help us, by allowing us to carry on 'health propaganda'. It will be prevention also that we will after. Hence the request. What are the impediments? If there are any, do met me know and break the silence.

Some time ago, You wrote to Mr. Raj Bahadur, Minister of State for Communications & Transport, New Delhi, regarding a road from Dhupdal to Gokak Falls and a Rest House for tourists on the left bank of Ghataprabha near the Gokak Falls itself. What happened to it? Have you not heard anything from him? How far have you progressed in that scheme? I would like to know.

I hope you are well. Do write to me immediately.

With interest I have been reading the translation of your article on Congress. I do not know whether the translation gives the reader your true meaning. Therefore, ~~I have~~ I have to request you to send me a copy each of your articles published so far in the Samyukta Karnatak Daily of Hubli. I am staying in the Karnatak Health Institute, Ghataprabha, Dist. Belgaum. Ple se send the articles to this address. I shall be thankful to you for the same.

How are you? What are you doing now? Are you moving about in the vicinity of Banares? How is your health? Please do write to me a few lines about - yourself.

I was a member of the Parliament for 10 years - from '52 to '62. I cease to be one now. I did have enough of it. I did not like to go again. I thought it is better for me to allow youngsters to go and occupy the Rajya Sabha seats and do some good work. Afterall, I had my days and now I am awaiting the call from the Creator. So, there is nothing to worry.

The Karnatak Health Institute is doing its bit to relieve sufferings of people who suffer from ailments. In that field it is marching ahead.

Under separate cover I am sending a copy of the latest report of K.H.I. and a copy of "What the KHI is" pamphlet. Please acknowledge.

My Dear R.M.,

1. Am I not troubling you by this insistance? A number of letters I have written to you. But, you are not responding. I want you to help me to carry on 'health propaganda' in this area. Hence the request to you to give me exemption of road tax for our vehicle DLF 8096.

2. You will also write to me regarding our suggestion of having a Rest House on the left bank hillock of the Gokak Falls. For the last four or five months a road along the left bank of Ghataprabha leading to that hillock (were we desire to have the rest house) is being constructed. It has made no progress. And there are no signs of any one taking it up seriously. Will you be good enough to look into the matter and see that it is expedited? Has Shri Raj Bahadur replied to your query? Please let me know.

3. Excuse me for repeating the same thing again and again. But I cannot help. I write to you because I know you will not mind this insistance. I feel I am wasting my time and am not working in the right manner.

I am much thankful to you for your postcard bearing no date. We both are no longer members of Parliament but that does not matter at all. We are in the field of social and political work all our life and shall remain so.

It is true that I am the Chairman of a Committee of grants to non-official medical institutions. You can, therefore, feel sure that the application of Karnatak Health Institute will receive my very best attention.

We have divided ourselves in four Zones. I being the Chairman can accompany all the Zones but other members are requested to visit institutions under their own jurisdiction. South is allotted to Dr.P.Srinivasan who I am confident will be visiting Belgaum institutions soon and submit his report. I shall see what is possible after his report is received.

Most respected Doctor,

I have received your post card dated 26th September 1962 and thank you very much for your congratulations and for the honour you gave me by writting the same.

Even though I have been appointed Convenor of Congress Seva Dal, I doubt very much whether I am the right man in the right place. However, with your blessings and Inamdarji's guidance I hope to be of some use to my Nation and thus set an example to our younger generation. I know how difficult is the task that lies before the Congress Seva Dal, particularly in a society like ours where everything is judged in terms of caste, community and self interest.

Inamdarji must have already left for Delhi after paying you a visit. Unfortunately your post card reached me late and I could not show it to him.

With my deepest respects, I am

26th October 1962.

[illegible]

I am grateful to you for yours of the 25th.

I am extremely sorry I could not contact you on the 24th. I had with me a group of doctors of our Technical Committee throughout the morning of that day. They were eating my brain and sucking my blood. The result was that in the afternoon I clean forgot my duty to get in touch with you. I should be forgiven. I knew you were unwell, and I was surprised when I saw you in Delhi last time looking so well. My prayer is that you should feel better and live not merely fourscore and ten.

China should open our eyes in regard to men and matters. We have enough stamina to stand erect from being bullied and sacked. It is time our energies are consolidated.

I am certainly coming to Ghatprabha for a day. This may be in December. I shall be in Bangkok and Burma from the 19th November till the 1st December. I hope to visit Goa in the second week of December.

719

I shall arrange this programme including a day for Ghatprabha.

We are well. I hope you are keeping good health. With respects,

Yours sincerely,

institutions may be advised to apply to the Director General of Health Services, Government of India, New Delhi, through the State Government, for financial assistance stating, inter-alia, the number of students they wish to admit each year, giving an estimate of expenditure for one year, and the date of commencement of training upto 31st March of the relevant year, in the enclosed form. They may also apply, simultaneously, to the State Nursing Council for recognition of their Centres for training Auxiliary Nurse-Midwives, if such recognition has not already been obtained.

3. The minimum age for admission to the training course is 17 years. The Indian Nursing Council has not prescribed a maximum age limit, though it is understood that some States have done so. The minimum basic educational qualification for admission to the course is :-

(a) Completion of the first seven classes of schooling;

or

(b) The passing of an entrance examination in which language, mathmatics and science is of the standard and level of (a) above.

I enclose a copy of the syllabus. It is a priced publication and the institutions which are interested in the scheme may be advised to obtain a copy of the syllabus and all other relevant information direct from the Director General of Health Services, Government of India, New Delhi.

Incidentally, it may be mentioned that the [illegible] scheme provides a good opening to women who successfully complete the condensed course of training under the Board's popular programme, and it should also be brought to the notice of institutions which are sanctioned grants for the purpose.

Yours faithfully,

TRUE COPY

Copy of letter No. 19-39/62-N dated 18th September 1962 from the Director General of Health Services, New Delhi, to the Chairman, Central Social Welfare Board, New Delhi.

Subject:-Training of Auxiliary Nurse-Midwives under the Community Development Programme.

I am to say that the Planning Commission have estimated that about 28,000 Auxiliary Nurse-Midwives, including midwives, would be required by the end of the Third Five Year Plan. Of these, about 20,000 Auxiliary Nurse-Midwives would be regired for employment in Primary Health Centres of the Community Development Projects. The existing training facilities are not adegate to train this number of Auxiliaries and special efforts have to be made to increase the training facilities. At the meeting of the Central Social Welfare Board held on 19th August 1962, the Chairman said that the State Branches of the Central Social Welfare Board would cooperate with Government in pursuading voluntary organisation to undertake to train Auxiliary Nurse-Midwives for Community Development Projects with financial assistance from the Central Government in areas where facilities for such training are not available.

A list of district where, to our knowledge auxiliary Nurse-Midwives training centres do not exist is attached. The State Branches of the Board may please be asked therefore to explore the possibilities of voluntary organisations starting the training of Auxiliary Nurse-Midwives with financial assistance from the Central Government as given in the Government of India, Ministry of Health, letter No. F.28-7/61-PH, dated 16-11-61. For facility of reference the details of financial assistance admissible under the scheme for a unit of 30 students for one year are given below:-

Most respected Doctor,

It's more than a month that I received your post card written from Lucknow. I am so sorry I could not reply to you earlier. Please, forgive me for this delay.

The "Eye Camp" sponsored by Congress Seva Dal is already over. The 2nd one was held under the auspices of Bharat Sevak Samaj and the 3rd. under the auspices of Margao Cricket Club. Myself and our volunteers were busy with the organization of the Camps which were first of their kind in Goa. Dr. Sharma of the Bihar Blind Relief Mission performed about a thousand operations in all the 3 Camps. A small section of the people influenced by some self-interested parties raised a hue and cry against the Camps going to the extent of saying that this was nothing but an election stunt. It was more a campaign against the Congress than against the Camp itself.

At present we are all busy in collecting funds etc. for the National Defence Fun Our Seva Dal training is going on quite smoothly and we shall be holding our first Camp in the last week of December, i.e. during Christmas vacations. Could you kindly spare us a day or two during our Camp? Your presence and your guidance is absolutely necessary. Please let me know whether you could do that favour to us.

With my deepest respects, I am

NO.S.D./ December 1, 1962.

SUBJECT: SEVA DAL DAY

Dear Brother/Sister,

This year, the Seva Dal Day falls on 30th December. I hope you must have prepared your programme for the same and communicated it to the districts and Shakhas. As the conditions in the country are rather different than normal, it may not be convenient to observe a week and have the type of programme, we generally have, every year. However, the following items are being suggested for inclusion in the programme of the Day.

1). -- Local Rally, Flag Salutation and Route March on 30th morning. Attempts should be made to muster as many as associates and ex.Seva Dal volunteers and workers to this programme. To make the programme impressive, band - special units (if any), vehicles, etc., should be presented in as massive number as possible. The pledge should be repeated as usual after the Zanda Geet, and before the speech of the Chief Guest.

2). -- A meeting of the present and old workers of Seva Dal could be called to consider as to how the Seva Dal could be further expanded and developed to meet the need of the day.

3). -- A campaign of posters and banners, suitable to the present situation, should be taken up. Matter and ideas for this item, will be available in our circulars, Dal Samachar and other resources. Or any other suitable item, connected with National Defence, could be taken up.

4). -- Items, such as, enlisting subscribers to Dal Samachar, Collection of Funds for Local Seva Dal, Sports competitions, etc., could be taken up on suitable days in the last week of the month.

5). -- The Dal Shakhas should be asked to send the report of this Day as usual to the All India Office.

Yours sincerely,

(S.V.NAMDAR)

PRADESHES:

AICC PRESS RELEASE

APPEAL TO CONGRESSMEN BY SHRI JAGANNATH RAO CHANDRIKI M.P. GENERAL SECRETARY, ALL INDIA CONGRESS COMMITTEE, NEW-DELHI

Programme for Netaji Subhas Chandra's Birthday
Rifle Training for a fortnight.

- - - - - - -

We have already in our hands a 'Summary of Programme for Congress Committees' elaborating the functions and duties of Congressmen during the National Emergency. The Congress Working Committee in its meeting held on 23rd November, 1962 has given a serious thought how to tone up the Congress Organisation during the present emergency. Working Committee felt that this was the time when Active members should be put to acid test. It has given a directive to all active members to put in some minimum work per day till the present National Emergency lasts. In pursuance of the above call and looking to the unprecedented enthusiasm and energy in the youth ready to serve the country in any manner or capacity, it is high time to Canalise their energy and give a befitting programme to suit their age and enthusiasm. Therefore, I call upon every Congressman and active member, who is below the age of 40, Youth Congress and Sevadal to receive Riflo training for a period of fifteen days. Arrangements are being made for such training every day for two hours either in the morning or evening in all Police Station houses and other places where such training could easily be taken up. No doubt this kind of training is itself limited in its sense and capacity but it is essential to inculcate in us discipline and prepare ourselves both physically and mentally ready to face the emergency in a soldier spirit. There again we might fail in our duty if we do not properly assess the reasons for the success or failure of the above programme and measure the intensity of the urge in the Congressman to have the implicit faith in any programme given to him. Therefore, I would request all Congressmen to see that the first batch of the above trainees would complete their fifteen days course of training by 23rd January, 1963. All of us are aware 23rd January 1963 happens to be the birth-day of Netaji Subhas Chandra Bose, a hero of Indian National Army struggle, idol of youth and a great leader of Indian National Congress. These trainees will have a Rifle parade on that day and salute Congress flag in a public performance. An effort should be made to take the photos of such parades everywhere and send the same to the offices of D.C.C., P.C.C. and A I.C.C. in proof of their performance. I have selected this programme as one of the several tests which the A.I.C.C. intends to put to the various Congress Committees to test their efficiency in these days of National Emergency. I firmly hope and trust that all the Mandal and District Congress Committees would treat this Press release enough for their guidance and commence their activities without any further loss of time or waitingfor the routine official instructions. I appeal to all the State Governments to provide necessary facilities and issue instructions to the authority concerned in this respect. I may recall here for the information of our Congressmen, such measures have been already taken in some States such as Punjab etc. I once again appealto all Congressmen to make this programme successful and qualify themselves for future task.

VISIT TO CHANDIGARH TO ATTEND THE DISTRICT OFFICERS MEETING OF THE PRADESH.

(23rd to 24th December, 1962).

I left Delhi on 23rd morning and reached Chandigarh in the noon. The meeting of the District Officers of the Pradesh started at 1 P.M. and lasted upto 7 P.M. with a break of one hour in between. The points for discussion were the Emergency and the organisational matters. Twenty-three officers representing twelve districts were present in the meeting. We discussed fully the local conditions and how the Seva Dal should work in the emergency. The main complaint from the workers was the lack of finance.

We discussed about some change in the organisational set-up also. In this connection it was decided as follows:-

1. Shri Bharpur Singh Bardi should stay at Chandigarh guiding the workers from there. His ampuled leg also needs some rest after a continuous tour in the pradesh.

2. The districts should be distributed to the four pradesh officers. These officers should be in close contact with the pradesh office.

3. Shri Bardiji should try to find out a worker for the pradesh office.

I could meet the P.C.C. President for a few seconds only as he was just then leaving for some other place.

I returned to Delhi on 24th morning. I was to go on tour in the pradesh but as they needed some more time to send intimation to the places concerned, they asked me to attend the Seva Dal Day function on 30th at Pathankot and then visit other districts which I had not covered during my last visit.

Sub: Grant-in-aid to Karnatak Health Institution

Sir,

The Karnatak Health Institute and its various services are progressing satisfactorily with the help of the Government and the public. They have actually shown considerable increase and improvement during the last year thanks to the goodwill all around.

The needs of a growing and charitable Institution aiming at perfection can never be satisfied, since medical science grows so fast.

The number of charitable donors has also been considerably reduced due to financial stringencies. And we have to look to the Governments for aid if we must keep on progressing. Hence this request:---

We are submitting a list of some immediate needs for your kind consideration and for financial help:--

1. A suitable conveyance for carrying on health education among the villages in the vicinity......	Rs.25000.00
2. Equipment, literature, etc. for Health education	Rs.15000.00
3. Laboratary equipment for startingculture and sensitivity tests etc.	Rs. 5500.00

a. Autoclave for the lab. electrical	Rs.3000.
b. Incubator electrical	Rs.1700.
c. Gas generator with bunsen burners	Rs.800.00
Total:	5500.00

4. I would like to bring to your kind notice that the lab equiment given to us was completely useless and could neither be used nor thrown away. I have shown the incubator, gas generator, etc. when you visited last this Institute. This difficulty has put us in a very awkward position and we could not start our culture work for the last 5 years)

4. Some instruments for the thoracic surgery which requires further improvements to make it most secure:-

a. Schoelander microgas analyser	
b. Spirometer	
c. Fluurescent microscope	Rs.2000.00
d. Cardiac monitor	Rs. 5000.00
e. Cardiac defibrillator and pace maker	Rs.9500.00
f. Respirator	
g. Spotfilm device and Potter bucky.	

Hoping to be excused for the troubles,

In the interest of the Institute,

Yours very truely,

flag. Immediately word was sent round to the volunteers' camp and torches were got ready as no arrangements had been made to keep the area around the flat post electrically lit, though there was a certain amount of lighting. Volunteers and delegates to the Indian National Congress gathered round the flag post at about midnight when the temperature was about 30 degrees. Amidst thunderous applause and with torches held aloft by volunteers and delegates, Pandit Jawaharlal Nehru hoisted the tri-colour with lady volunteers singing Zenda Unche Rahe Hamara. After hoisting of the tri-colour, Panditji led a party of singing delegates and volunteers carrying torches round the delegates' quarters and woke up all those who were sleeping and made them join the procession. After an hour and a half the procession went round the delegates' quarters, singing national songs and shouting slogans about India's Independence.

This in brief was what happened.

The Lahore Session of the Indian National Congress and the Congress Exhibition were held on the banks of the river Ravi, about three miles away from the outskirts of the city of Lahore, on the road to Peshawar. The Congress Nagar was just on the banks of the Ravi towards the city side of the bridge. The main gate was on the left hand side as one went along the road to Peshawar. From the main gate three roads branched out, one going straight, the second to the left and the third to the right. The main pandal, the flag post and the Subjects Committee pandal were to the right. The gates of the pandal, the flag post area and the Subjects Committee area were facing the city. The flag was about 100 yards away in front of the pandal. The flag post was 85 ft. high. Around the flag post was built a platform 4 ft. high. The area round about the flag post - 4,000 sq. yards - was surrounded by trees on all sides except the pandal side. To the right of the flag post facing the city was the Subjects Committee pandal. Behind this pandal was the camp for lady volunteers. Facing the flag post across the road was the leaders' camp, behind which was the volunteers' camp and beyond that was the Congress Exhibition. The middle road issuing from the main gate led up to the river Ravi. The main flag hoisting ceremony took place on the 28th December 1929 at 8 o'clock in the morning when at least 2½ lakhs of people were present. On the platform were Pandit Jawaharlal Nehru, Shri Mangal Singh, the G.O.C., and Shri A.S.E. Iyer who was in charge of training of volunteers. A photograph taken on this occasion appears on page 202 of Pandit Jawaharlal's Autobiography.

On the 31st December the resolution of India's Independence was passed at about 11.30 or 11.45. After the resolution had been passed by the open session of the Congress amidst thundering cheers, Pandit Nehru asked som of the heads of volunteers if we may not hoist the national

My Dear Doctor,

Dr.Raju will be visiting the Karnataka Health Institute on the 4th February 1963. I met him yesterday, at the President's At Home. After visiting K.H.I. he will go to Manipal. Mr.Karmarkar told me that Mr.Radha Raman will also be visiting KHI along with Dr.Raju. I also met Mr.Imamdar. He told me that you are expected here on the 29th for a Camp which is going to be held near the Humayun's tomb. Are you likely to come here? You have not written to me about it. If you come here, well and good. We can talk over things. I am not moving South this time as I have hardly any time.

I am sending a copy of the Emergency Risks(Factories) Insurance Bill,1962, as passed by the Parliament. You are far away from the field of battle. I do not think this will extend to your Printing Press at Hubli. This bill is meant for factories situated in the field of action and for damages caused either by the enemy or his agent or by our own Government for purposes of prosecution of war. Under the circumstances, I think you need not worry yourself However, you may consult your legal adviser in Dharwar.

Trust this finds you in the best of health.

With kind regards to you and members of the K.H.I. Fraternity,

Yours sincerely,

Dear Shri Hardikar,

Your kind letter of 20-2-1963 and thanks for the same.

During my recent visit to your institute I was very much impressed by the efficient manner of its working and also the existence of certain special facilities which are not ordinarily found in other similar institutions. As I have already expressed, I would like to visit your institute again and I shall do so during my next visit to your area. I shall let you know my programme sufficiently in advance.

Hope you are keeping good health.

आपणाला बरेच दिवसांत पत्र लिहिलें नाहीं. क्षमस्व.

गोहाटी येथे एक सांघिक शिबीर घेणार असल्याचें मी आपणांस लिहिलें होतें. १०० स्वयंसेवकांचें एक शिबिर गोहाटीला झालें. त्यानंतर कामरूप जिल्ह्याचें ९० स्वयंसेवकांचें एक शिबिर घेतलें. मी ता. ३ ला करीमगंज (जि. कछार) येथून त्या जिल्ह्याचें ९० स्व. सेवकांचें शिबिर चालू करून आलो व आज नौगांव येथे मुक्कामाला आहे. येथे ता. ९/३ पासून एक शिबीर सुरू होईल. एकूण २५ शिबिरें आसाममध्यें व्हावयाचीं आहेत. ती सर्व झाल्यावर मी येथून [illegible] बंगालांत जाईन. हीं सर्व शिबिरें एप्रिलच्या पहिल्या आठवड्यापर्यंत संपतील. नंतर कदाचित राजस्थान आणि गोव्याचे बाजूला जाईन.

सारखें फिरावें लागतें. आसाममध्यें जेवणाला भाताशिवाय कांहीं मिळत नाहीं. दूध, दहीं, ताक कांहीं नाहीं. मासे आहेत पण ते मी खाऊं शकत नाहीं. त्यामुळें थोडा त्रास होतो. पण माझी प्रकृति ठीक आहे. कारण मला हवें असलेलें काम मला येथें करतां येतें. सेंट्रल भारत सेवक समाजानें मला माझ्या मनाप्रमाणें संपूर्ण स्वातंत्र्य दिलेलें आहे. प्रदेश सरकारचेंही सहाय्य भरपूर मिळतें. शिवाय या बाजूला आ. डॉ. Dear Dr.Nagaraj,

Please find enclosed a copy of letter from Dr.N.S.Hardikar of Karnatak Health Institute, Ghataprabha. Dr.G.T.Balankhe just spoke to me on phone in the same connection.

As you are aware, cholera is raging in villages round about Ghataprahba and a number of patients are being taken to the Karnatak Health Institute. Dr. Balankhe brought to my notice that he was finding it very difficult to obtain adequate supplies of saline and vaccine. Could you not if ~~possible~~ possible help him in this respect so that he would obtain adequate quantiee of the same?

Dr.Balankhe also suggested that if possible some medicines required for cholera may be kept with him for use of the patients who cannot afford to pay for the same. If something can be done in this respect I shall be grateful

Dr. Balankhe's analysis is that the epidemic is not showing any signs of early abatement. He suggests that the steps now taken should be made more vigorous. I am sure you will take necessary measures.

Yours sincerely

Dear Doctor Hardikar

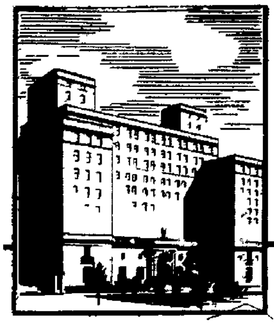
Did you tell me that you were a member of the Cosmopolitan Club in around 1915 or so? Or, am I imagining only? In those years, rather in 1919 and after, we met at the Earl Hall (Col. U.) and the Club offices were at 114 Street on Broadway.

When I visited the International House yesterday Dr. Treadway Smith went over old membership lists as they have some members who are out of touch for a long time. The House is now preparing a big celebration for Harry Edmond's 80th birthday (see the letter and card) and I, being an old timer from 1919, pre-International House Era, am to help out with remembered names or any other relevant data. I did not come across your name on the lists I saw. We do not want to miss out on you for anything

Our New York weather, this month particularly, has been most trying with its extremes and generous precipitation. Strong wind to night clears clouds away but central heating makes not much impression on temperature indoors on this hill, even with heavy draperies drawn across the window. I hope our spring here will be warm enough to make Edmonds' birthday celebration a very fine success.

May we hear from you please?

With my best wishes for you always
I am gratefully remembering my visit.
Sincerely Zdenka P. Sawyer



INTERNATIONAL HOUSE — NEW YORK

500 Riverside Drive • New York 27, N. Y. • MOnument 6-7600 • Cable Address: ALLNATIONS

February 1963

This letter is addressed to you as one of those who lived at International House in New York when Harry Edmonds was the Director, or one who belonged to the Cosmopolitan Club in pre-House days; (1910-35).

Mr. Edmonds now lives in Lyons, New York (R.D. #2), is hale and hearty, and as busy as ever in the interests of international goodwill among all peoples. On March 11, 1963, he will be eighty years of age.

A plan has been evolved by your fellow members of these happy and profitable years to celebrate this significant birthday and to do honor to our long-time friend and benefactor for his launching of the International House movement.

We propose to hold a reunion and dinner at International House in New York with an appropriate program on Friday afternoon and evening, May 10, 1963, and there present him with a bound book of letters of tribute, esteem, and affection from as many who lived there under his benign leadership as we can reach and induce to cooperate. In addition, we shall demonstrate to him our wish for his personal comfort by giving him a good small automobile. This should serve to remind him daily of our warm friendship and great appreciation.

We hope very much that you will join us in this venture by doing two simple things: (1) Write your personal greeting for the book. Use a sheet of paper the same size as this one (8-1/2 x 11 inches), and leave a margin of at least 1-1/2 inches (4 centimetres) on the left side for binding purposes. Type the letter if you can; use your professional or personal letterhead if you have one; date it March 11, 1963; write it in informal language and address it to him personally. Mail it unfolded, if convenient, and send it to "Mr. Harry Edmonds, c/o Birthday Committee, International House, 500 Riverside Drive, New York 27, New York". It MUST be in our hands by April 15, 1963 in order to be included in the bound volume. Do it now rather than wait for the deadline.

(2) Send a check for three dollars, made payable to "Edmonds Birthday Committee". Yes, with your prompt help, we expect to have enough to buy a Volkswagen or similar make of car. Thus you see how extensive is our plan to reach his whole International House family.

We rely on your interest and action. Let us have your letter even though there may be some reason why you cannot send a check. The letter is the really important item. Mr. Edmonds will be given the book of tribute, but not a list of those who help buy the car. We hope to make both a surprise.

Save May 10th for the reunion and dinner if you are within commuting distance, and make your reservations for it with the Committee before May 1st. We may not have a chance to write you again specifically about the dinner. Please accept this as your responsibility. The price will be four dollars. Meanwhile, send back immediately the enclosed response card.

Our efforts cannot succeed completely without your response.

Sincerely yours,

The Edmonds Birthday Committee

My dear Dr.Hardikar,

I have yesterday returned from my long tour of Goa., Daman & Diu. The organisational elections there, are completed and I am now in Delhi for sometime. I have your several postcards and before I left, I wrote to Dr.Nayyar about her visit to your institute and to stay with you. I am glad she did so.

As for grants, this year, we did what was possible. As your application was put up late in the year, we could not do better. Dr.Raju and myself both supported your requirements, but our hands were tight and the Committee did not favour sanction of grants for building and several other things except for equipment. We, therefore, sanctioned whatever best we could.

As regards your obtaining the grant and the required account, I am looking into it and will see what best can be done. I am sorry, I was out and therefore, no earlier action was possible.

Hoping this finds you in bestof spirits,

Yours sincerely,

Radharaman

स. न. वि. वि.

शिवजयंतीच्या शुभ मुहूर्तावर दि.२५ एप्रिल ते १ मे १९६३ अखेर महाराष्ट्र सरकारने श्रमदान सप्ताह साजरा करण्याचा कार्यक्रम हाती घेतला आहे. हा सप्ताह मुख्यत्वे शेतीसाठी श्रमदान सप्ताह आहे. महाराष्ट्र राज्याचे मुख्य मंत्री, ना. दादासाहेब कन्नमवारजी यांनी युध्द प्रयत्नांचा हिमालय उभा करा या आपल्या महाराष्ट्रीय जनतेला उद्देशून केलेल्या आवाहनांत सदर सप्ताह श्रमदान करून साजरा करण्याचा आदेश दिला आहे. महाराष्ट्र राज्याचे शेतकी मंत्री ना. बाळासाहेब देसाई यांनीहि दि. ५ एप्रिल रोजी एका पत्रकान्वये हा शेतीसाठी श्रमदान सप्ताह यशस्वी करा असे आवाहन केले आहे. त्याच अनुषंगाने आज महाराष्ट्र प्रदेश काँग्रेस कमिटीच्या वतीने महाराष्ट्रांतील सर्व लहान थोर काँग्रेस कार्यकर्त्यांना या परिपत्रकान्वये सदर सप्ताह महाराष्ट्रांत अत्यंत मोठ्या उत्साहाने यशस्वी करण्यासाठी प्रयत्नांची पराकाष्ठा करावी अशी नम्र विनंती करीत आहे.

राष्ट्रांत जी आणीबाणीची परिस्थिती चीनच्या आक्रमणामुळे निर्माण झाली आहे त्यासाठी प्रत्येक भारतीयाने प्रयत्नांची पराकाष्ठा करून युध्द प्रयत्नांस हातभार लावला पाहिजे. उत्पादनाचा सहामाही कार्यक्रम यापूर्वी प्रसिध्द झाला आहे त्यातील शेती उत्पादनाच्या कांहीं उद्दीष्टांवरच हा श्रमदान सप्ताह साजरा करावयाचा आहे. या श्रमदान सप्ताहांत खेड्यांतील प्रत्येक सुदृढ व्यक्तीने शेतीसाठी श्रमदान करावे अशा प्रकारचे प्रयत्न आपण काँग्रेस कार्यकर्त्यांनी करावयाचे आहेत. ताली बांधणे, शेतीची बांध बंदिस्ती करणे, कालव्यातील पाणी शेतांत आणण्यासाठी पाट खणणे, नाल्यावर बांध घालणे, खतासाठी खड्डे खणणे, विहीरी खोदणे, भाजी लागवडीसाठी चर खणणे, इत्यादि कामे या सप्ताहांत करतां येण्यासारखी आहेत. या कामी शासकीय यंत्रण, ग्रामस्वयंसेवक सेना, संरक्षण श्रमपेटी होमगार्ड वगैरे संस्थांची मदत मिळविता येणे शक्य आहे.

जिल्हा काँग्रेस कमिट्यांचे पदाधिकारी व सदस्य, आमदार व खासदार हे संघटनेतील महत्वाचे दुवे जिल्हा परिषदा व तालुका पंचायतीचे पदाधिकारी आणि महाराष्ट्र काँग्रेसचे सदस्य, युवक व सेवादल संघटना यांनी या कामी अत्यंत महत्वाचा वाटा उचलून प्रदेश काँग्रेस आणि महाराष्ट्र सरकार यांना सहकार्य द्यावे अशी कळकळीची नम्र विनंती आहे.

कळावे,

प्रिय बन्धू,

स. वन्दे.

महाराष्ट्रांती प्रदेशांतील तुमचे व सर्व सैनिकांचे लक्ष खालील गोष्टींकडे वेधूं इच्छितो. त्या सर्व गोष्टी चटकन अमलांत येण्याच्या दृष्टीने तुम्ही तुमच्या जिल्ह्यांतून प्रत्येक गांवच्या सैनिकापर्यन्त त्या पोहोचवा. आणि सेवादलाचा नांव लौकिक वाढवा.

१) कॉंग्रेसचे प्राथमिक सभासद वाढवा :-

सेवादलच्या सैनिकांनी स्वत: कॉंग्रेसचे प्राथमिक सभासद होऊन इतरांना सभासद करण्याचा प्रयत्न करावा.- कॉंग्रेसचे सभासद करण्याचा आमचा उद्देश गट करण्याचा नाही. कॉंग्रेसच्या विचाराचा प्रचार घरोघरी करण्याचा आहे. कोणत्याही कॉंग्रेस अंतर्गत गटांत सामील न होता बोगस सभासद करण्याच्या कामांत भाग घेऊ नये प्रामाणिकपणे चार आणे घेऊन सभासद करण्याचा प्रयत्न सैनिकांनी करावा.

सभासदांच्या रसीद वह्या मंडळ कॉंग्रेस कमिटी व जिल्हा कॉंग्रेस कमिटीकडून घ्या. याबाबत अडचण आल्यास येथे कार्यालयांत कळवा. सेवादलाच्या हा या वर्षीचा अखिल भारतीय कार्यक्रमाचा एक भाग आहे. तो यशस्वी करा. किती सभासद नोंदविले त्याचा आंकडा येथे प्रदेश कार्यालयांत कळवा. जून ३० अखेरपर्यन्त सभासद करण्याची मुदत आहे. - मुदतीचे आंत हे काम करा.

२) वर्ग, शिबीरें, रॅली, संरक्षण मेळे - अ. भा. सेवादला ज्योति कार्यक्रम.

मागील महिन्याच्या पत्रकांतून सांगितल्याप्रमाणे या उन्हाळ्यांत ठिकठिकाणी सेवादलाच्या प्रायमरी शिक्षणाचे वर्ग किंवा शिबीरे घ्या. संरक्षण आघाडी म्हणून मेळावे किंवा मेळे यांचे आयोजन करा. सेवादलाच्या अखिल भारतीय ज्योतिचा प्रचार सर्वत्र करून त्यासाठी चांगले अनुकूल वातावरण निर्माण करा आपण याबाबत जे ठरवाल किंवा कराल त्याचा अहवाल येते कार्यालयांत पाठवा.

३) अखिल भारतीय जिल्हाधिकारी शिबीर :-

अखिल भारतीय कॉंग्रेस सेवादलाकडून जिल्हाधिकारी प्रशिक्षणशिबीर नागपूरला ता. २० मे पासून सुरु होत आहे. हे शिबीर २१ दिवस चालेल या शिबीरासाठी महाराष्ट्रांतील सर्व जिल्ह्यांतील जिल्हाधिकाऱ्यांनी आले पाहिजे. यासाठी जिल्हाधिकाऱ्यांची नियुक्ती पूर्ण करावी. ज्यांना जिल्हाधिकारी म्हणून घ्याल ते मंडळ अधिकारी प्रशिक्षित किंवा मध्यम सैनिक असावेत. अखिल भारतीय जिल्हाधिकारी

शिबीरासाठी नांवे पाठवा

४) **प्रदेशीय मंडळ अधिकारी प्रशिक्षण रिफ्रेशर शिबीर :-**

कॉंग्रेस सेवादलाच्या प्रदेश कार्यालयाकडून प्रदेशांतील ट्रेण्ड मंडल अधिकारी आणि जे मध्यम सैनिक आहेत त्यांच्यासाठी एक रिफ्रेशर शिबीर पंढरपूर येथे या वर्षी मे महिन्याच्या तिस-या आठवड्यांपासून १० दिवसांचे होईल. या शिबिरांसाठी येणारांची नांवे प्रदेश कार्यालय, मुंबई येथे किंवा श्री. आनंदीराम कुम्ठ प्रदेश संघटक १०१, शुक्रवार पेठ पुणे २ या पत्त्यावर पाठवा.

या शिबीराचे महत्व ट्रेण्ड झालेल्या मंडल अधिकारी आणि ट्रेण्ड मध्यम सैनिकांच्यासाठी अधिक आहे. त्या सर्वांनी या शिबीराचा फायदा घेऊन आपले शिक्षण ताजे व नवीन करून घेऊन ज्ञानांत भर घालावी.

५) अखिल भारतीय सेवादल संघटक श्री. नामदारजी यांचा दौरा महाराष्ट्रांतील मुंबई, पुणे, अहमदनगर, या जिल्ह्यांतून १० मे ते १८ मे पर्यन्त होईल. सविस्तर दौरा कार्यक्रम नंतर कळविला जाईल. आगाऊ तयारीसाठी हे कळविले आहे. प्रदेश संघटक श्री आनंदीराम कुम्ठ हे त्यांच्याबरोबर राहतील. दलपति कांही ठिकाणी राहतील.

आशा आहे वरील सर्व गोष्टी तावडतोब अमलांत आणाल.

STOCKHOLM. May, 1963.

Pujya Dr.Hardikerji,

Today, the 7th May, I am sending you from a far off land, Greetings on the eve of your Birth Day.

I pray for your radient health, everlasting happiness and success in your great, noble and humanitarian Mission of your life for which you have sacrified so much.

My wife from Delhi wrote to say that you have so kindly written her a letter and that she will be very much honoured to call on you when you visit Hubli.

As I wrote you last, I arrived here on the afternoon of 24th April and ever since am very busy in discharging duties of my responsible job. I see here an entirely a new world where every thing is mechanized. I am struck by the way in which people live here. They are hospitable and kind. In contrast to our country, they hurry for everything and time seems to be their enemy. Even the old people of 70 to 80 years 'run' on the streets, stand firmly like youths in over-crowded trains and trams and drive cars at a speed of not less than 100 kilometers per hour! There is so much if I go on writing, but after having come here time also seems to be my 'enemy' I have to do so much within the rationed time of 24 hours a day only.

As you know I am working as Secretary to the Director (Prof.Lagerlöf) of the Fifth FAO/Swedish/International Post-Graduate Training Centre. We have here fellowship holders from all the underdeveloped countries including Indians. I will be here and will be arranging trips to the Scandinavian and some European countries till the end of December of this year. Before I return to India, I shall be visiting London,Paris,Cairo and Perhaps Moscow. This will be my private trip.

Once again I greet you and pray for your long life, peace and lasting success in your endeavour for the cause for which you have dedicated your entire life.

With respectful regards,

Yours very sincerely,

(Gangadhar Kubsad)

Dear Dr. Hardikarji,

I received your kind letter dated 27th May 1963. As discussed I shall take action to proceed in Organising the Home-Guards. I know there is not much progress on account of combination of posts i.e. the post of Deputy Inspector General of Police, (C.I.D.) and the post of Commandant General, Home-Guards. For the last three months, the D.I.G. (C.I.D.) is rather too busy in supervising important investigation in criminal cases, which are detected and as such there is not much satisfaction on this side. Now, the Government intends to have a seperate officer for the organisation of Home Guards with an Assistant through out the State. We have promoted quite recently, after my return to Headquarters,=two Officers as D.I.Gs. One of them will be posted as Commandant General, Home-Guards.

In the meanwhile, three more Commandants are appointed for the Districts. I will keep you informing about the progress of the work and I will request you for help when the Commandant General goes out for organising, that will be appropriate.

It is very kind of you that you have spoken about our discussion to the Defence Minister.

With regards,

Yours sincerely,

Dr. N.S.Hardikar,

June 17, 1963.

My dear Doctor,

I got your letter today. I had already written to you about 2,3 days back, informing you of our proposal to reach there round about 27th.

Our programme has now been finalised. We will be reaching Chatprabha on the morning of Wednesday the 26th June from Poona by Bangalore Mail. We propose to stay there for a week. During this period I have to visit Dharwar and see the Vice-Chancellor of the Karnataka University for some work connected with the National Book Trust.

Tentatively we have planned to leave back for Poona on the evening of the 2nd July. During that period besides visiting Dharwar for Trust work, I would like to go round with you and see some of the places which we had planned before, like Humpi, which we have not been able to carry out. Everything will depend on your health, leisure and convenience.

Excepting the visit to Dharwar, I want to spend a few days chatting with you. As regards our party, Meera will be there. It is possible that Meera's brother Jayant or her sister might accompany us but that is not sure. Unless otherwise fixed, only two of us will be there. I will let you know about any addition to our party by the time we reach there.

More when we meet.

Yours affectionately

Now can say that the standard of the staff of A.I. is good not better or best but the ~~for~~ standard of the provinces are going down. They should try to conduct as many Mandal officers training camp as they can but really speaking they do not conduct ~~ougt~~ even one or two camps a year. They do not visit the Shakhas and units methodically. They should always be in search of good and capable workers. ~~but~~ I always feel that without the strong base, A.I can never be strong & sound. For that we must sit and discuss with you.

Secondly I feel that some old workers who are, due to their old age & physical weakness, not so active should be retired and some new to young workers must come forward otherwise we will get no result.

Side by side we must see the

Respected Dr sahib

I have come here yesterday evening The camp of Nagpur had been inspected by Shri Inamdarji He stayed 3 days He was the president of the closing function

The campers were below standard Out of 40 only 25 trainees have got the certificates. You know that this camp was dist. officers' camp but I saw that the standard of the trainees were upto Mandal level In the test of general knowledge some trainees had written that Govind Vallabh Pant and Sardar Vallabhbhai Patel are the members of our present Cabinet. The same thing was in Drill and other Training I had written all this in my report to SVI financial condition of the provinces except Gujarat most of the provinces are weak in finance.

~~Now~~ Goa trainees had definitely thought to see you but when I gave them the news and message they had become nervous. At they wanted to see you but ~~now~~ I had asked them to see ~~on~~ you in some big function

In my training section I have selected and trained some 12 officers for training camps on A.I. level I hope to make ~~a~~ team of 20 to 25

I hope you are well wishing you very good health

My above address is permanent so you kindly write to me to this address

कॉंग्रेस सेवादल (महाराष्ट्र).

परिपत्रक संख्या :-   दिनांक :- २-३-१९६३.

प्रिय बंधू,

स. वन्दे.

आजच्या पत्रांतून कांहीं महत्वाच्या सूचना करीत आहे. त्यावर अंमल करावा. पत्र मिळाल्यावर त्यावर काय केले ते येथे लिहावे.

१) इमर्जन्सी कार्य :-

युद्धबंदी झाल्यावरहि हे कार्य चालू ठेवावयाचे आहे. असे आदेश व संदेश वरिष्ठ कार्यालय आणि वरिष्ठ नेत्यांचे आहेत. या कार्यात खंड न पडूं देता सतत त्याच वेगाने हे कार्य चालू ठेवले पाहिजे. इमर्जन्सी युनिटचे शिक्षण करावे. व युनिटची नांवे येथे त्वरीत पाठवावी. मागे आजवर पाठविलेल्या पत्राप्रमाणे सर्व माहिती येथे पाठवावी. भारताच्या सरहद्दीवर सेवादलांकडून श्रमशिबिरे घेतली जाण्याचा संभव आहे त्यासाठी नांवे इमर्जन्सी युनिटची हवी आहेत. स्पेशल युनिटची नांवे पाठवावी. (जे स्पेशल युनिट असेल).

भारताच्या उत्तर सरहद्दीवर काम करण्यास जाऊं इच्छिणाऱ्यांची नांवे पाठवावी. या कामासाठी जाऊं इच्छिणारे जिल्हाधिकारी शिक्षण प्राप्त किंवा मध्यम सैनिक किंवा उच्च सैनिक असावा. तसे नसल्यास तांत्रिक शिक्षण प्राप्त हवा आहे. इमर्जन्सी कार्याचा साप्ताहिक अहवाल पाठवीत चला.

२) अखिल भारतील जिल्हाधिकारी शिक्षण शिबीर :-

अखिल भारतीय कॉंग्रेस सेवादलाचे येत्या उन्हाळ्यांत मे महिन्यांत जिल्हाधिकारी शिक्षण शिबिर २१ दिवसांचे आपल्या महाराष्ट्रांत घेतले जाणार आहे. हे शिबिर मी नागपूरला ठेवण्याचे ठरविले आहे. त्या दिशेने व्यवस्था नागपूरला होत आहे. या शिबिराला आज प्रत्येक जिल्हाधिकारी म्हणून जे आहेत त्या सर्व जिल्हाधिकाऱ्यांनी या शिबिरांतून शिक्षणासाठी येणे आवश्यक आहे. प्रत्येक जिल्ह्याला अधिनायक, संघटक, कार्यालयमंत्री, शिक्षक, आयासप्रवास अधिकारी व प्रकाशन प्रसिद्धी अधिकारी म्हणून ६ अधिकारी लागतात. ज्या जिल्ह्यांत इतके अधिकारी नसतील तेथे नियुक्ती पूर्ण करून येथे मंजूरीसाठी पाठवावी. मंजुरीनंतर त्यास पक्की मान्यता समजली जावी. ज्यांना नेमूं इच्छितात ते मंडळ अधिकारी शिक्षण प्राप्त केलेले असावेत. अशी नांवे येथे पाठवावी. मात्र या सर्वांना होणाऱ्या अखिल भारतीय जिल्हा अधिकारी शिक्षण शिबिरांतून इष्ट झाले पाहिजे. ही संधी येत्या मे महिन्यांत महाराष्ट्रांतच चालून आली आहे. त्याचा फायदा सर्वांनी घ्यावा

जिल्हाधिकारी शिक्षण शिबिरासाठी ही नांवे पाठवा. नागपूरला होणाऱ्या शिबिराला फक्त जाण्यायेण्याचा खर्च तेवढा येईल त्यांची व्यवस्था जिल्हा कॉंग्रेस कमिटीकडून करण्याचा प्रयत्न केला जावा.

३) होमगार्ड, ग्रामस्वयंसेवक किंवा ग्रामरक्षक दल इत्यादि बाबत आमची निती -

या बाबत जे निर्णय घेतले गेले आहेत ते स्पष्ट आहेत. सेवादल संघटन कायम ठेऊन आपणास देशांत इमर्जन्सी कालांत कार्य करावयाचे आहे. सरकारच्या मिलिटरीच्या कोणत्याहि विभागांत जाऊं इच्छिणाऱ्या सेवादलाच्या सैनिकांना मोकळीक आहे. मिलिटरीच्या भरतीसाठी आम्ही प्रयत्न व प्रचार पण केला पाहिजे. पण होमगार्ड, ग्रामस्वयंसेवक किंवा ग्रामसंरक्षक दलांत सेवादलाच्या सैनिकांनी सेवादलांत राहून किंवा सोडून जाण्याचे कांहींच कारण नाही. कारण शेवटी त्या संघटना सेवादलाला तत्सम आहेत. ते जे काम करतात तीं कामें आम्हीपण सेवादलांचे मार्फत करूं यामुळे त्या कार्यात आमचे व त्यांचे सहकार्य राहील. नवीन उभारल्या जाणाऱ्या कोणत्याहि ग्रामस्वयंसेवक किंवा ग्रामरक्षक दलांत सेवादल सैनिकांनी भरतीसाठी जाऊं नये. आम्ही त्यांचे जे कार्य गांवातून चालेल त्या कामांत सेवादलाचे सैनिक म्हणून काम करण्यास तयार राहूं. शेवटी देशांतून खेडयापाडयांतून काम झाले पाहिजे. अनेक ठिकाणाहून विचारणा केली जात आहे त्यास हे उत्तर आहे. नवीन उभारल्या जाण्याऱ्या संघटनेला आमचा विरोध नाही, सहकार्य राहील. त्या कामात सहकार्य दिले जावे. सर्व ठिकाणच्या सेवादल कार्यकर्त्यांना हे कळविले जावे. बंदुकीचे शिक्षण घेऊं इच्छिणाऱ्या सेवादल सैनिकांनी सरकारमार्फत शिक्षण देण्यासाठी जी नागरिकांची योजना आहे त्यांत व्यक्तीगत भाग घ्यावा.

४) सेवादलाचे ४० वे वर्ष :-

हे सेवादलाचे ४० वे वर्ष आहे. या वर्षी हा सेवादलाचा वार्षिकोत्सव खास भव्य आणि विशेष रीतीने साजरा करावयाचा आहे. नागपूरहून ज्योती तिरंगी ध्वजासह निघेल व ती सर्व प्रदेशांतून जाईल असा हा कार्यक्रम समोर आहे. संघटन बळकट करा. या बाबत कार्यक्रम लवकरच पाठविला जाईल.

आशा आहे वरील सर्व गोष्टी लक्षांत घेऊन त्वरीत अंमल कराल.

विनित,

My dear Doctorji

I am sure you are in receipt of our letters some time last month Why are you silent? Why don't you answer me. what have I done to displeas you? Are you angry with me or indifferent to my feelings just because I cannot persuade my husband to act according to your wish? What is it that has turned you against me?

I feel so sorry to see such an attitude towards us. Almost every day I think of you and your affection that was mine once before! How your letters used to inspire me. Even now your casual remark long long

JUDGE, SUPREME COURT.
INDIA
1, Safdarjang Road,
New Delhi, the 21st June, 1963

My dear Dr. Sahib,

I have duly received your letter of the 17th instant for which many thanks.

This year I have done work as a Vacation Judge and so my vacation has been very much reduced. I am going to Bombay on Saturday the 29th instant and will stay on that side only till Thursday the 11th of July. During this short period of my stay at Bombay and Poona my programme has already been fixed and so I regret I cannot avail myself of your kind invitation to go to Ghataprabha and to Goa thereafter. It is true that I have been wanting to see your institution and I am keen on visiting Goa, but I am afraid that cannot be done during this vacation.

I had heard that you were not well but I did not know that you were out of action for nearly two years. I am glad to hear that you have now completely recovered and have resumed your work. You have dedicated yourself to the service of your institution and so along with all your patience I also hope and pray that you should be given a long number of years of active and useful life.

Thanks once more for your letter.

Yours sincerely,

(P.B. Gajendragadkar)

Dated the 22July,'63.

My dear Shri Hardiker

I am in receipt of your post card dated 18th July '63 and also your inland letter dated 24th June '63 which you addressed to me c/O Public instructions. Both of them were received by me only on Saturday (20/7/63)

Could you kindly tell me who are the two National Discipline Scheme Instructors working in the health institute there.

The Govt. of Mysore have taken up National Discipline Scheme and some 40 schools in the districts of Bangalore, Mysore, Belgaum, Dharwar, Chitradurga and Bijapur have regular National Discipline Scheme Instructors working in them. In about a month, another about 20 schools shall be covered. If you need the exact names of these schools, I shall be only glad to send them. As I don't have adquate clerical assistance, that would take a little time.

Meanwhile I should express my regret that your inland letter dated 24/6 should have been redirected to me after so much delay. Otherwise you should have heard from me much earlier. I should express to you my sincere thanks for the kind help and co-operation you have volutneered in connection with NDS work in the state of Mysore.

You will please call on me when next you come to Bangalore.

With kind regards,

Yours Sincerely,

Nanadaji wants me to be at Ghataprabha as the Plane comes there on 13th or 14th Oct. It was not there in my original schedule.

I had kept 3-4 days for Bangalore on way to Mysore for the Rally there. Now I think I will curtail it. At all Ghataprabha is as much my home. So now, I will come there on 12th or [illegible] Oct and leave for Hubli en route to Vijayawada - Cuttack on Oct 14th by 2 PM. Hope that will do.

पुंडकर,

श्री सीदय्याव यांचा व इतरांचे आपले पत्र व नागपूरचे पोस्ट कार्ड मिळाले

पोस्टकार्डवर नाव नसल्यामुळे विचारपूर्वक उत्तर पत्र व्यवहार करणे शक्य नाही. तरीपण मला जी माहिती या पूर्वी मिळाली होती त्यावरून कळले की संवादकांच्या कार्यकर्त्यांनी यात सहयोग दिला नाही हे खरे आहे. ठराव संवादकांच्या विरोधामुळे राहिला असे पत्रांतील लिहिल्याप्रमाणे मानणे योग्य नाही कारण म्युनसीपालिटीत कोणी संवादकांचे स्वयंसेवक म्हणून गेले ते नाहीत व ते आपल्या मताप्रमाणे मत देण्यास तयारीत असतात काँग्रेस मताने म्हणून स्वतंत्र होते. हा लोकांवर मला कैदाचा ~~प्रश्न~~ असल्यामुळे कुठे कदाचित वाटत म्हणून, संवादांस साथ सोडून देणे योग्य होणार नाही. ~~आता~~ नाव कोणी न असता तर त्याला उत्तर पाठवता आले असते आपण हे लक्षात ठेवून देणे नाही!

श्री सीदय्याच्या पत्रासंबंधी काय करावे हा ~~प्रश्न~~ आहे. आता जमीनी इमारत ~~ती~~ A.I.C.C. च्या नियमाप्रमाणे प्रांतिक काँग्रेसच्या ताब्यात आहे. तेव्हा सिद्दय्यांनी जे करावयाचे ते P.C.C. ला विचारून करावयास पाहिजे. स्थानिक काँग्रेस कार्यकर्त्यांना विचारून चालणार नाही. निदान D.C.C. कडून संमती घ्यावयास पाहिजे. ती घेतली असे त्यांचे पत्रावरून दिसत नाही. कारण P.C.C. ने प्रांतिकची म्हणून तुम्ही D.C.C. पेक्षा सांगणार. इतरी गोष्ट असली की संवादकांनी इमारत काँग्रेसकडून घेतली तर काही ~~स्वतः~~ ठेवले असते तर P.C.C. च्या नावावर D.C.C. ला गप्प बसवता आले असते. मला वाटते ही इमारत संवादकांच्या सोपा करता म्हणून संपूर्ण पणे P.C.C. च्या स्वाधीन ~~करावी~~

कारण धरणग्रस्तांचे व नियमाप्रमाणे नाम त्यांची खरी position
आहे. [illegible]

श्री कृष्णन बद्दल तेथे मी येईन तेव्हा सर्वच अंकलीकांच्या
वेळी सर्वांची समक्ष त्यांनाही बोलता येईल काही नवे
ठरवता येईल

पेंढारकर अजूनही स्वतः नाही कारण त्यांची सुधारणा
होते तरी इतक्या दिवसात त्यांना जाणवले आहे त्यांना वाटत
Study [illegible] करतां पण ३-४ दिवसात सांगणार आहे

बागबगीच्यासाठी इमारतीत काही activity a ~~park~~
childrens park करण्याच्या योजनेबद्दल मी वाटाघाटी
लिहिले होते पण त्यांनी उत्तर दिले की डॉक्टरांनी काही
निर्णय न आल्या पुढे त्या संबंधी पुढे काहीच केले नाही
आपण त्यांना लिहून काही कार्य ते पेपरवर कर शकत असतील
तर कळवावे

पू. डाक्टर,

माझे कालचे पोस्टकार्ड मिळाले असेलच.

रतलाम हून आल्यावर अेक गोष्ट विशेष जाणवू लागली. ती म्हणजे ज्योतीपूर्व लोकांत उत्साह पुष्कळ उत्पन्न झालेला आहे परंतु ज्योत जाईल तेथे National Defence Rally करण्याची जी योजना होती ती सफल होत असलेली दिसत नाही. बहुतेक ठिकाणी मोठ्या मिरवणुकी वगैरे स्वागत वगैरे होतात पण रॅली - व्यवस्थेत संगठित कार्यक्रम नाही. याचे कारण कार्यकर्त्यांत रॅली करायला इतकी शक्ती नसावी व ज्योतीजवळ गणवेषात इतके स्वयंसेवक नसावेत. या बाबतीत पुरुषोत्तम बरोबर रतलाम येथे चर्चा केली. पुढे त्या दृष्टीने प्रयत्न करणार आहेत. गुजरात मध्ये मात्र रॅली होतील असे पुरुषोत्तम यांनी सांगितले.

दुसरी गोष्ट म्हणजे प्रचार. स्थानिक पत्रांमधून विशेषतः ज्योत येण्यापूर्वी १-२ दिवस व नंतर १-२ दिवस यांमध्ये प्रचार वर्तमानपत्रांत दिसतो परंतु मोठ्या वर्तमानपत्रांत फारसे काही येत नाही. उ. देशोन्नतीच्या वर्तमानपत्रात ज्योतीची माहिती नाही! येथून आम्ही प्रेस नोट पाठवतो परंतु त्या प्रकाशित होत नाहीत. A.I.C.C. च्या इतर प्रेस नोटचीही हीच स्थिती आहे. असे वाटते की Press representative ठरावीक पद्धतीने लोकांबरोबर आहेत. यहापार. केवळ प्रेस नोट दिली की ती प्रसिद्ध होत मगर स्वतः जाऊन प्रेस नोट गेली की प्रसिद्ध होते! आमच्या मोठ्या लोकांनीच त्यांना बिघडवून ठेवले आहे. All India पेपर प्रांतात स्थिती काही तरी बरी असावी असे वाटते. दुसरे कार्यक्रमात मिनिस्टर आला तर त्याला प्रसिद्धी मिळेल नाहीतर नाही! आता प्रत्येक ठिकाणी मिनीस्टर कोठून आणावा व का आणावा? गड्यांजवळ वर्तमानपत्र कटिंग्ज आहेत पण ती local papers ची! मोठ्या पेपरची नाहीत.

ज्योतीची व सेवादलाची माहिती देणारे अेक पुस्तक इंग्रजीत आहे. छापखान्यात आहे. ४ भाषांत तयार होईल. आतापर्यंत २ पोस्टर

छापून प्रतींना पाठवले आहेत. अंक हेड क्रिमपय (ज्योतीच्या कार्यक्रमा
(२ तारीखवार) छापलेले आहे. धोंडगावचे न. प. हायस्कूल पासरमं [illegible]
तयार होईल आपण सूचना तशी तिलक व तुकाराम तयार करून
पाठवली - वर्धमानपत्राना. मैसूर मध्ये प्रांतिक करून प्रचार व्हावयास
पाहिजे. तो होत नाही असे दिसते. श्री. कृष्णन यांना मैसूरला पुढारी
बांधावले आहे तेथे तमीनाडू यांच्या बरोबर ज्योतीच्या कार्यक्रमाबद्दल
काय केले व काय करणार हे या विषयी बोलतील

इतर प्रकरण आपण त्यांच्या कार्यकर्त्यांना बोलावले आहात. हा
अंक भागाचा कार्यक्रम होईल. त्यांच्या पैकी ज्योती बरोबर जाण्यास
कोणी तयार असल्यास तर त्यांना पाठवता येईल.

श्री भाऊ सोवडे यांना मार्गपत्र पाठवले होते. पण आजारी
पत्रपत्रिका रमाकांत यांनी हिंदीच्या पुस्तकाच्या छपाई
व्यवस्था करण्यास लिहीत आहे.

आपला

बाकी विशेष नाही

September 19, 1963

My dear Dr. Hardikar,

I am very glad to receive your letter dated 10th Sept. 1963. It is so good of you to have replied to mine. I had always been in touch with you and your welfare through friends like Inamdar, Shaved and Pa[illegible]. I hope you are now keeping fit. I am glad to know that you have directed Shavede to send the material to me. As soon as the material comes I will start the work.

The politics here is going on well and everything would become calm, if goodsense prevailed among the Congressmen, within two or three days. I am quite well now. I have also requested my Chief Minister to relieve me to do some creative work in the party.

I hope this finds you in the best of health.

With respectful regards,

Yours sincerely,
N.K. DeoVashishtha

My dear Doctor Sahab,

Glad to receive your letter I am happy to note that you still remember us and make kind enquiries of our family I have not added any more after your departure from Delhi. Two sons & three daughters !! So is the case with Sri. Y.G. Patil-Kulkarni of Hire-Honnalli But his status has gone up and he is now an officer I have showed him your letter and he has assured that he will reply you direct.

As regards Members of the Railway Board the information is as under:

(a) Full Members :-

1. Shri. D.C. Baijal chair-Man & Member Staff
2. " S. Jagannathan. Financial Commissioner
3. " G.P. Shahani – Member Mechanical
4. " M.M. Khan – Member Engineering
5. " Kripal Singh – Member Transport

I think you know Sri. Kripal Singh who was

Shri Kadapa is now out of Tourism Deptt. Since he is a very straight-forward person, his boss Mr S.N. Chib and Minister Sri Raj Bahadur manipulated with Jagjiwan Ram to get him out. Even the intervention of Sri R.R. Diwakar & D.P. Karmarkar did not yield fruit. He is on leave for 2 months from 1.9.63 and thereafter he has to report himself to Home Ministry for further posting orders. We are all very much upset. If you were here, I am sure you would have done some-thing. Sri H.C. Dasappa is given Rly. portfolio. If he is also given Transport then Sri Kadapa is likely to come back.

Delhi very fine now. All the members of my family are keeping well by your best wishes

Hope this will find you in the best of health & spirits

Yours affectionately

many times but his response to all that seems so reasonable according to him Then I find I am not wise enough to say who is wrong and who is right & I just drop it off

I was away in Bangalore for almost 3 weeks, during which I thought of you many a time Those 3 weeks were full of nice experiences very much because I made it point to make the best use of it. I came in contact with quite a different kinds of personalities the best and most revered among them all was one ಹರಿದ ಾಸರು Sri Keshavadas of Rajaji Nagar who has completely won over my heart in Bhakti and Devotion. I met him once & a heard him at his second time and talked to him for the third time and then I could understand why all his devotees worship him like an Avatar. I wish I could meet him many times more and get to know him better

My dear Doctorji

Your long awaited letter of the 9th Sept I saw only to-day It was indeed a surprise ~~and~~ a wonderful and pleasant one too! Many thanks for the same. At last you seem to have realised that there is one person at least who is in need of your affection and love in this wide world now that I have heard from you I will not trouble you again and again but will patiently wait for your pleasure to write a line.

I am really glad to hear that you are not angry with any of us. of course it is just like you I can well understand why you feel sorry for my husband. when I hear from you I feel what all you say is quite alrigh about man being charitable and broad minded I have also talked to him So

Doctor Do you know how I came to appreciate such Satsang it is no doubt by the influence of such persons like you and your son in law who have been Gods own instruments to mould me according to His plans.

I do not want to tire you with all that I feel and experience hence I close this with lots of love and respects to one very very dear & near to my heart.

Yours ever the same
beloved daughter
Kamala.

पू. डाक्टर,

आज दुपारी येथे आलो. हुबळीस स्टेशनवर भाऊ कॉंग्रेसचे सेक्रेटरी व स्वयंसेवक आले होते. त्यांनी माझी व्यवस्था होटेल मध्ये केली होती पण घरीच गेलो व पुस्तकाचे काम संपवले रमाकांत व भाऊ यांचे बरोबर चर्चा करून असे ठरवले की पुस्तकाच्या २ हजार प्रती काढाव्यात त्यात ५ फोटो घालावेत. पुढच्या पानावर भाऊंच्या खोलीत असलेला ~~[illegible]~~ अगर माडीवर असलेला गणवेषातील उभा फोटो द्यावा. ~~[illegible]~~ पलीकडच्यांचे पदक देताना घेतलेला असाच फोटो आहे का? तो कोठून मिळेल? पुस्तकाची किंमत कमीत कमी १६ ठेवावी लागेल. पुस्तक मी घेऊन आलो आहे. परत जाताना देऊ शकेन असे वाटते. गाडीत ते मी वाचून पाहिले. त्यात काही भाग गाळावासा वाटतो व काही थोडा बदलावा वाटतो; तो सर्व रमाकांतांना व आपणा सर्वांना कळवीन. आपला जन्म १८८९ का १८९० धरावयाचा?

2) दिल्लीस गेल्यावर १० वर्षांचा ट्रस्टचा रिपोर्ट तयार करीन.

3) ट्रस्ट मध्ये काय बदल करावा तो पण तेथून कळवीन. ट्रस्ट डीड मध्ये बदल करताना कोणती procedure follow करावे लागेल त्याची माहिती भाऊ काढणार आहेत.

3) कुमटा पार्टी~~ने~~नी मिरवणुकीने घरी घेऊन गेला होता. तेथे ज्योतीस ओवाळणे व फराळ हा कार्यक्रम झाला. हिंदुस्थानी सेवादलाचे H.Q. व आधुनिक इमारत घर दाखवले. राम~~भाऊ~~ यांनी स्वारी ओळख करून दिली. त्याचप्रमाणे सेवादलाची प्रथम शाखा लागत होती त्या [illegible] कर्नाटक प्रेसच्या कम्पौंड मध्ये पण ~~तो~~ ज्योतीस ~~नेले~~ होते.

Respected Docterji,

I have handed over the charge of the Flame Party to Andhra on 1-11 63 at 3 PM at Zaherabad. As per my view these function at our pradesh in various places have created a good atmosphere for our organisation. Though I had lot of troubles at some places, some how all functions went well except Bellary & Raichur as I was not able to reach there due to breakdown of the Van. To give the function in time for Gulberga I took the party by train from Raichur to Gulberga. The function of Gulberga was the best as far as our State is concerned.

There was lot of shortcomings in my view as regards our function of Flame Party. I have gained some experience from them. In the light of this I will do some good work immediately in our State. Kindly guide me to make all work in the State

With love & Respects

Yours Sincerely

Dear Doctorji,

Hope you are in receipt of my last letter. Yesterday there was a meeting of all D.C.C. President and Secretaries in the office. Serious discussion was held on our organisation. Many members spoke well of the organisation and of our latest Hame and Rallies. It also decided to raise at least 1000 volunteers in each district; and the President P.C.C. has asked them to go ahead with the work of enrolling members and to give training immediately. All members agreed and immediately after the Bye-elections work has to be started. I have made a note and syllabus of the Mandal Workers camp to be started in each District. The matter has come in all papers regarding making 1,000 volunteers in each district.

Expecting to hear your guidence

Thanking you
Yours Sincerely

your [illegible] I shall find out when he is likely to go that side. It is rather difficult to make him agree. He is now our Rashtrapati

How are you? Growing younger everyday? I do not know if I will be able to come down south during this vacation. I have to finish the work of two select committees and also attend the Presiding Officers Conference at Patna. If I come certainly I will break my journey for a day at Ghataprabha as usual. My health is OK.

Remind me to Drs. Vaidya, Bhalunke, Sri Kirloskar and other friends with my best regards.

Yours affectionately

Anna

My dear Doctor

I am sixty-one today according to Indian Calender So I ask your blessings that I may pass out of this world like a dry leaf falling from its tree unwept and unsung without giving trouble to any one and if possible become like the gobar to fertilis the new young ones coming up

Your letters to me and T T K. were delivered to me this morning by Karmarkar There is no need to trouble T·T·K You must have received Shri Gijjis' letter. He has sent me a copy You write him a letter accordingly if you have not already done so there is no trouble.

I shall request the President whenever he comes to Bombay side, I shall ask him to break his journey for a day at Ghatāprabha and visit
